NEW DRAFT CALLS TAP MAN POOL HERE

CITY FOLKS SHUN PARKING METERS

PARKING IS AVAILABLE
TO VISITORS IN CITY

Parking meters in Cameron were getting favorable comment from people who live in the rural sections, for they say they can now find a place to park when they come to town.

This newspaper has heard considerable comment for and against the meters, but in the main, opposition has come from people who live in the city who have been accustomed to monopolizing all the space around the curbs, and the country people coming to town to transact business have had to park out at the airport or across the river and walk in.

"I think it is the best thing that ever happened," said a farmer, "for I can now get a place to park when I come to town, whereas heretofore there was no place for us."

This generally seems to be the attitude of quite a number of people who do business here and who come to town at intervals during the week, especially on Saturday.

Those who live in the city are now parking their cars in the main on streets near the business district and are struggling on into town, puffing and snorting about the inconveniences brought about by a little progress.

If the meters succeed in keeping the main business streets open to a reasonable extent to farmers and other visitors to our city, they will be a success, and eventually the city will profit from their installation. In the meantime Mrs. Canasta was cluttering up the traffic less frequently by visiting for an hour or two in the main thoroughfares to discuss all the gossip of the neighborhood while folks bent on business get red in the neck because they are held up from going on their way.

Mrs. Canasta has been discomfited greatly as a result of some semblance of enforcing traffic laws, but the poor pedestrian who occasionally got his leg broken trying to skirt around her car and make it over to the coffee urns or the soda fountains, has a new lease on life.

Meanwhile, tickets are stacking up around Rip Van Winkle headquarters and the local arm of the judiciary may eventually get around to establishing some sort of policy toward those who keep on violating the meter ordinance.

DEMOCRATS CERTIFY THEIR NOMINEES

AUSTIN, Aug. 7.—Texas Democratic leaders today certified their party's nominees and run-off candidates at a one-hour meeting so quiet it surprised veteran party chiefs.

The state executive committee session—wired for numerous explosions rolled easily to its harmonious conclusion after Gov. Allan Shivers called for members to work together for "a better and more energetic party in Texas."

Committee members rose en masse to adopt a resolution promising the governor that cooperation.

The committee certified Gov. Shivers nomination in the July primary as the party's nominee for governor in the November general election. His official vote was tabulated at 829,730, with Cato March running second with 195,997.

Other certified party nominees included Price Daniel for attorney general; Robert W. Calvert for supreme court, Place 2; Robert S. Calvert for state comptroller; Bascom Giles for commissioner of the general land office; William J. Murray Jr., for railroad commissioner; and Jesse James for state treasurer.

Candidates for the run-off primary later this month included Pierce Brooks and Ben Ramsey for lieutenant governor; Fagan Dickson and Will Wilson for the supreme court, Place 1; Meade Griffin and George W. Harwood for the supreme court, Place 3; W. A. Morrison and Robert L. Lattimore for the court of criminal appeals; and John C. White and J. E. McDonald for commissioner of agriculture.

Ballots To Be Ready For Absentee Voting By Late This Week

First day absentee voting was Monday, August 6, but as usual no tickets were available because the present law does not make provision for meeting of the State Committee prior to August 7.

In order to have a legal ballot properly certified, County Chairmen must wait until candidates are listed by the State Committee and the vote in the July primary officially canvassed.

State committee met in Austin on Monday. It was expected that the official ballot would be received by Tuesday or Wednesday and ballots would be ready within 24 hours or less time for casting absentee votes.

Four Concerts Are Scheduled Here By Yoe High Band

The Yoe High School Band will play the first in a series of four weekly concerts on Thursday night, August 10.

These concerts will be played on the courthouse lawn, and will begin at 8 O'clock.

The concert will be quite light in character, and will feature popular marches, swing tunes, short overtures and novelty tunes.

These concerts are good places to get together with the old friends, and the public is invited to take advantage of these occasions.

Each following concert in the series will be played on Thursday nights, at the same location.

COACH SMITH OPENS FALL WORK SCHEDULE

It is later than you think.

The Yoemen will start work early Tuesday morning, August 15, it was announced here today by Paul Smith, head coach at Yoe High School.

Coach Smith has just returned to Cameron from the coaching school at Austin and from his usual summer activities at Masonic Home at Corsicana. The coach is bronzed and eager and says that his boys are showing an eagerness that indicates they will be on the job and ready to go next Tuesday.

The entire picture of football was outlined by Coach Smith to this newspaper Tuesday and several days of publication will be necessary to give a complete coverage to everything involved in getting started for the coming gridiron battles this fall.

Coach Smith says that there will be two workouts a day, the first from 7 to 9 a. m. which will be for conditioning, and that from 7 to 9 in the evening under the lights at Yoe-man Field for rough work. From 5:30 to 6:30 in the evening there will be skull practice in the Gymnasium. So it can be said that the boys are facing a schedule of hard work which is nothing unusual for Coach Smith who knows the value of getting his boys in shape for the gruelling contests this fall and winter.

Coach Smith was indulging some genuine doldrums. He is a matter of fact coach and faces the situation as it is and not how he would like to have it, so this year, as everyone can see, he is facing an almost superhuman task to turn out a winning football machine with only 8 returning lettermen, and in the main, all of his reserves and a part of the (turn to page five)

WALTER SENKEL BRINGS FIRST 1950 COTTON

The first bale of 1950 cotton was trucked into Cameron Thursday morning from the Walter Senkel farm near Jones Prairie.

Mr. Senkel produced the first bale of 1949 cotton marketed in Cameron. The 1950 bale is later than the 1949 bale.

The bale reached the Weems Gin around 11:00 A. M. and weighed 430 pounds of lint and 800 pounds of seed.

It was assumed that Cameron would pay the usual good cash premium for the first bale. Complete details will be given tomorrow.

ROY MCATEE IS FOUND DEAD EARLY SUNDAY

Roy McAtee, 30, was found dead in his automobile on highway 77 near Pond Creek early Sunday morning August 6.

According to information here he is believed to have been dead for several hours before the body was discovered.

Mr. McAtee was on his way to Rosebud and is believed to have lost control of his car, plunging into a deep ditch near the creek.

He was a native of Milam County, born at Burlington and at the time of his death was employed at Fort Hood.

Mr. McAtee is the son of Mr. and Mrs. W. E. McAtee of Rosebud and is a brother of H. E. McAtee, owner and operator of the McAtee Service Station in Cameron.

Funeral Services were held at 9:30 A. M. at St. Michael's Parish Church at Burlington by Rev. M. O'Reagan, Parish Priest.

Interment was made in the Rosebud Cemetery with Nicholson's Funeral Home directing arrangements.

City Minutes Will Not Show Mayor Agreed To Pay Rent

Mayor A. N. Green requested this newspaper to publish the record on a motion made recently about an office which he had requested.

At the time the meeting was publicized and for several days thereafter the official minutes were still not available. The minutes will show that the aldermen voted 4 to 1 to make a charge of \$30 per month for an office, such as Mr. Green Requested.

The minutes will not show Mr. Green agreed to pay this amount. Mr. Green disagreed with a statement that said he agreed to pay this amount.

No action was taken to equip an office for the mayor and so far as indicated no action will be taken.

Mr. Green wanted a private office but will not get it unless he pays \$30 a month which he says he has not agreed to do.

More Talk Here Of Grade A Milk Route; Meeting Is Planned

Milam County may be a step nearer milk production on a commercial scale as the results of a visit here on Tuesday of a representative of the Borden Company.

W. W. Brewer, representing the company said that he had found 8 producers who indicate they will sell in the proposed grade A market.

The disappointing thing about a milk program here is that no one seems actively interested in a Cameron plant. In every case our county is called on to build up another community. Cameron needs a milk plant and such a plant might go a long way to encourage more milk production.

The Chamber of Commerce has set up a committee and a meeting of farmers is being planned. Cameron is located in what is known as the Houston milk shed. All milk produced here is now being concentrated in Bryan and Caldwell.

Parking Meters In First Toll Bring The City \$142.92.

Cameron's parking meters were re-sounding in the City till with a little cash.

W. H. Stafford, City Secretary, said the first collections from the meters brought in \$142.92. There are a total of 250 slots in the 125 meters. A motorist may deposit one penny for 12 minutes or 2 pennies for 24 minutes, and can go on up to a nickel for one hour. The parking limit is 2 hours, and that will cost a total of 10 cents.

The meters will be emptied Thursday of each week, and while there has been a tendency to park away from the metered section, the return for first week indicates that within a year the city would take in an excess of \$6,000. Whether this amount would indicate financial success of the meters is not known.

PEACE HOPES FADE AS RUSSIA WIDENS BREACH

LAKE SUCCESS, Aug. 8.—The United States tonight accused the Soviet Union of obstructing the majority's will on the Korean question, and said the security council will be stalled all this month—until Jakob A. Malik gives up the presidency Sept. 1—if these tactics continue.

Warren R. Austin, chief U. S. delegate, told the council:

"It must be apparent to all of us and to the world that the Soviet representative, who under our rules of (turn to page eight)

TWO ALARMS SOUNDED IN FIRE EARLY TODAY

Fire at 3 A. M. Wednesday threatened an entire block in the downtown business area before firemen brought it under control and after a second alarm had been sounded.

The Killen Food Market at the corner of North Houston and East 1st sustained damages in the amount of about \$1,000 when fire originated in the rear of the building and threatened destruction of the store and adjoining property.

Mrs. Killen, owner of the store, said early Wednesday morning that so far as determined the fire may have started from one of the motors in a freezing unit in the store. Damage from the fire was not as extensive as damage from water and smoke.

In the second story of the building are located the exchange and switchboards of the Southwestern Bell Telephone Company and J. M. McLean, service manager and operator, said although the exchange was threatened and operators found it difficult to continue their work because of smoke, little or no damage resulted. Operators were very courageous in staying at their posts of duty during the fire.

The two alarm fire followed closely another alarm sounded a few minutes earlier when a grass fire was discovered near the Chas C. Smith home. Firemen had responded to an earlier call around 3 A. M. and while returning to their homes were called back to what may have been a disastrous blaze. Their prompt work saved an entire block.

Sgt. Mann Arnold, recently appointed to the police department for night duty discovered the fire and turned in the alarm.

FOUR NEW MEMBERS ON SCHOOL FACULTY

Fall term for Cameron Public Schools will open Friday, September 1, it was announced here today by W. T. Hanes, Superintendent.

Mr. Hanes also announced the faculty for the coming school term and listed four new members.

The new members of the faculty are Mrs. Imogene Whatley who will teach Home Economics in Yoe High School.

Miss Nell Mayes, Miss Patsy Esslinger and Don Ross will be in Ada Henderson School.

Mrs. Kathryn Robbins, veteran member of the Ada Henderson School Faculty, has resigned and will not teach this year.

Mr. Hanes said that Coach Paul Smith will be acting Principal in the absence of S. M. Layfield who has gone to Tokyo, under a leave of absence for one year.

E. E. Williford has been moved to the High School where he will teach this year. He is assistant to Coach Smith and directs athletics among the grade pupils.

Mr. Hanes announced that the School Board will operate a new bus this year. He has returned to Cameron from North Texas State Teachers College where he was a member of the faculty during the early summer.

INTRODUCING

Mr. and Mrs. Charles Luko of Burlington, Route 1, announce the arrival of their daughter on August 7. The baby has been named Joyce Marie and weighs 6 lbs. and 13 ozs. The mother is the former LaVerne Miller, daughter of Mr. and Mrs. E. H. Miller of Burlington.

Reid Rogers, insurance man of Corpus Christi, spent several days here last week with his father, Wm. R. Rogers.

TOTAL OF 60 MEN HAVE BEEN CALLED

Thirty men have been called for pre-induction physical examinations by the Milam County Draft Board. They will report on August 30 for transportation to Dallas.

A total of 60 men in Milam County have been called up for examination since the Korean War but no one has been inducted into the armed services. It was expected that actual induction would begin sometime in the early fall.

The first call for pre-induction physicals was for twelve men and the second was for eighteen men, making a total of sixty. Men included in the first two calls will leave Cameron on August 10 and 17 for Houston.

The local draft board has gone on an 8 hour day and 5½ days a week basis and young men in ages facing call to arms were anticipating early summons, all depending on war developments in the far east and the outcome of fighting in Korea.

A fourth draft call was issued from the Selective Service Headquarters in Austin Wednesday but had not been received at draft headquarters in Cameron at the time of this publication.

It was estimated that this call would bring approximately 100 men to be called up for physical examination in Milam County in anticipation of inductions this fall.

First Bale Premium To Be Sponsored By The Cameron Herald

Premium for the first bale of 1950 cotton will be subscribed here within the next day or two and the Cameron Herald has volunteered to sponsor the subscription list.

No civic organization came forward to perform the duty and these newspapers are doing so on a voluntary basis, and the publishers who trust the action will be satisfactory to the business men here who know the value of cotton in the volume of trade in the county.

All who wish to subscribe to the premium fund should bring or send money to the Herald by 10 A. M. Thursday as the subscription list should not be held open beyond that date.

All contributions received after that time will either be returned or placed in the fund for the 1951 premium.

The first bale of 1950 cotton was ginned last Thursday in Cameron and was produced by Walter Senkel of Jones Prairie.

CAMERON GIRL NEW BRAUNFELS WINNER

Gwyn Wilson of Cameron was voted the number two beauty in the Miss Texas Contest at New Braunfels Sunday.

Miss Wilson competed as Miss Brazos Valley following her triumphs at Hearne and Bryan.

As a result of her success at New Braunfels she became an alternate to the Miss America Contest at Atlantic City.

Miss Wilson, daughter of Mr. and Mrs. Lehman Wilson of Cameron was sponsored by the Junior Chamber of Commerce. She received as a result of her second place standing a cup, gold wrist watch and a years supply of nylon hose.

Miss Margaret Sommers of the University of Texas and Austin became Miss Texas when she won first place.

Miss Wilson, while disappointed, was nevertheless deeply appreciative of the interest the Junior Chamber of Commerce, her sponsors for their interest and is ready to go to Atlantic City in the event Miss Simmers is unable to attend.

The people in Cameron feel that Miss Wilson should have won the Miss Texas designation because of her charm and outstanding beauty but were congratulating her upon her success and trust she may have an opportunity to go to Atlantic City.

Miss Wilson will appear in a style show sponsored by the Specialty Shop Thursday morning at the Cameron Theatre.

Peggy Wilson has returned from a trip to Calvert where she visited friends and relatives.

Mr. and Mrs. Clover Henson and children, Sissy and Butch of Liberty, were the week end visitors of Mr. and Mrs. Walter Henson.

Mayor Green Denies He Agreed To Pay Rent On Office

Mayor A. N. Green, displaying considerable agitation over published proceedings of the City Council on Tuesday night called for a correction.

The Mayor said he did not agree to pay \$30 per month for a private office which he had requested of the council. Mr. Green also said the council had voted to move the Collector of Internal Revenue to the Court House and this fact was overlooked in reporting the session of the council.

Members of the council disagree with Mayor Green so does the representative of this newspaper for they say Mr. Green did agree to pay rent after Mr. Perkins asked him the question whether he would be willing to compensate the city if the council went to the expense of arranging a private office.

The council voted 4 to 1 to arrange and equip an office for the Mayor on condition he would pay \$30 per month. Members who voted for the motion are Perkins, Andres, Kunz and Schiller.

Bob Terry did not participated in the vote according to Mayor Green. Mayor Green said he is going to reply to the tirade loosed on him by the aldermen and readers of this

RED ARMY REACHES SOUTH TIP OF KOREA

The military situation in Korea was unfavorable Tuesday as 6 United States forces were taking a beating on all sides.

As it appeared at noon there was nothing to indicate our forces would not be driven out of Korea.

At the Pentagon in Washington, despite landings of more troops in the 4-F's were making excuses and Korea our fortunes were faring badly.

U. S. Army units were being thrown back to new positions and the Red Army was racing down the western coast to threaten our supply lines and we had precious little territory left outside the port of Puson.

The American people do not always witness a Dunkirk.

The American people do not always

understand failure of our Army but the truth is the Washington Big Wigs and the Pentagon army were caught somewhere between the coffee urn and the Canasta table, and in conference a day late and a dollar short.

American military reverses are referred to as "the situation is fluid." This means the enemy has fluid down the coast or embraced us with pincers, rendering our position untimable.

Communists were hammering at our supply lines and otherwise were jeopardizing our entire position in Korea. At noon Tuesday the Red Army had knifed its way almost to the southwest tip of Korea. Thus our forces are confined to a small area on the eastern coast. The situation was none to promising.

Mr. and Mrs. David Perkins from Temple were guests in the home of Mrs. Evelyn Hearne over the week end.

Billy Avriett Guest Speaker At Lions Club Tuesday August 8

Billy Avrett, professor of Spanish at the University of Tennessee, was guest speaker at Lion's Club Tuesday. Mr. Avrett, during World War II was employed at the American Consulate in Buenos Aires, Argentina and in his lecture to the club brought out how important it is for the United States to continue good relations with our neighboring Latin American Countries.

Mr. Avrett is a graduate of Yoe High School, class of 1922 and before his work in South America taught Spanish at the Western University at El Paso. He has written

Spanish text books and has a degree in Romance Languages from the University of Texas.

Bill Arthur was chairman of the program and L. Van Perkins introduced Mr. Avrett.

Joe R. Walzel, son of the late Joe Walzel, has accepted a position in Austin in the State Agricultural Department. Joe saw several years active duty during World War II, and returned and entered A & M College where he studied before going to Austin.

Mrs. John Cook and little son of Houston are guests in the home of her parents, Judge and Mrs. Ed Gunn this week.

TEXAS COTTON CROP 3 MILLION BALES

WASHINGTON, Aug. 8—Texas' cotton crop was estimated by the Agriculture Department's first forecast today at 3,000,000 bales.

This is 76 percent of normal, an average of 205 pounds to the acre. The national figure also was down —10,308,000 bales compared with 16,128,000 last year. The ten-year average was 11,599,000.

The drop reflects the government crop control program.

On July 1 the cotton acreage in cultivation was about 31 percent smaller than in 1949.

There will be a carry-over of about 7,000,000 bales. The total supply would be more than ample to demands.

Yield of lint cotton was estimated at 264.9 pounds to the acre compared with 284 last year and 261.3 for the ten-year average.

Conditions of the Texas crop Aug. 1 (76 percent) was slightly higher than the 75 percent national average. The national figure a year ago was 80 percent and the ten year Aug. 1 average is 76 per cent.

The census bureau said 283,242 bales had been ginned before Aug. 1. In 1949, the total was 297,843.

The Aug. 1 condition of the crop, the yield per acre and production respectively, by states include:

Missouri 73 percent of normal; 344 pound per acre and production 310,000 bales; Georgia 69; 223 and 540,000; Tennessee 59; 387 and 520,001; Alabama 65; 203 and 560,000; Mississippi 77; 334 and 1,420,000; Arkansas 76; 313 and 1,420,010; Louisiana 69; 536 and 400,001; Oklahoma 63; 133 and 280,000; and New Mexico 90; 383 and 185,000.

Miss Shirley Warren of Cameron left Saturday to visit relatives in Waco.

CARD OF THANKS

We take this means of expressing our sincere thanks to all our friends for their every act of kindness shown us at the death of our beloved father, Emil Piske. We especially want to thank Rev. Fred Anderson and Mr. and Mrs. W. O. Boecker and those who sent the lovely flowers.

Mr. and Mrs. A. L. Bucklew
Mr. and Mrs. Lester Piske

Mr. and Mrs. Albert Willie and daughter of Houston are guests of Mr. Willie's mother, Mrs. A. E. Willie of Cameron. They will also visit in the home of Mrs. Willie's parents, Mr. and Mrs. Fritz Glaser in Buckholts.

Mr. and Mrs. Bennie Patterson and children left Cameron Friday enroute to Fort Worth to visit relatives, and they will return to their home in Louisiana the latter part of the week. The Pattersons have visited with friends and relatives in Cameron this week while on vacation.

Henry Foster Neal, son of Mr. and Mrs. Fred Neal is among the patients ill and in Newton Memorial Hospital.

The Cameron Herald August 10, 1950 FIRST BALE GINNED IN CITY THURSDAY

Milam County's cotton crop, negligible in comparison to the old days of full production, was expected to begin yielding in a few days since the first bale was ginned on Thursday.

Walter Senkel of Jones Prairie brought in the first bale to repeat his performance of 1949. The bale was ginned at Weem's Gin now owned and operated by the Southland Cotton Oil Company of Temple.

The only money reported Friday morning for a premium for Mr. Senkel came from Temple and it was for \$50 paid by the Southland Cotton Oil Company.

Cameron was showing its usual apathy because no organization would come forward to sponsor a premium list. Each year the Chamber of Commerce shuts off possible action by that body by going on record against cotton premiums.

The Buck (don't overlook the buck) has been passed to the Junior Chamber of Commerce and generally the business men expect this fine young organization to perform for the community. Business men generally were willing to contribute and were waiting for an opportunity to do so.

Cotton continues to be the greatest money crop in the county and it would be unfair to say that Cameron has no interest in cotton. What Cameron needs is a diet of Mexican jumping beans for its civic leaders.

A first bale premium should be ready and waiting each year but what is everybody's business is nobody's business and this newspaper will volunteer to take this responsibility a year hence if no civic organization can be found to do this important thing.

It was estimated that due to acreage cut and insect infestation the crop would be short this year and the county may not expect more than 20,000 bales but at prevailing prices old King Cotton, despite a little rust on his crown, is still the greatest money crop.

Allyn Griffin who has resided in Arkansas for the past two years is visiting old friends this week.

Mrs. Joe Barber of Pleasant Hill is a guest in the home of Judge and Mrs. Ed Gunn this week.

La Dell Quillin returned recently with her aunt, Mr. and Mrs. A. D. Quillin and Mrs. Charlie Quillin from a months vacation in West, Texas.

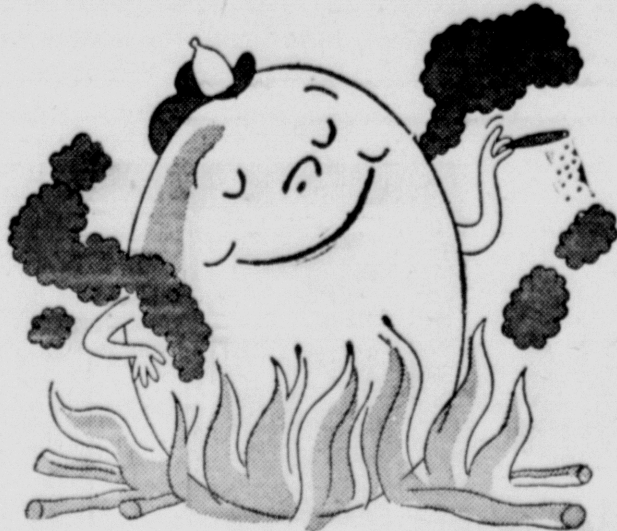

The modern mother is one who can hold safety pins in her mouth and puff on a cigarette at one and the same time.

George W. Roden of Cotton Valley, Louisiana was a welcomed visitor in Cameron and Milano this week.

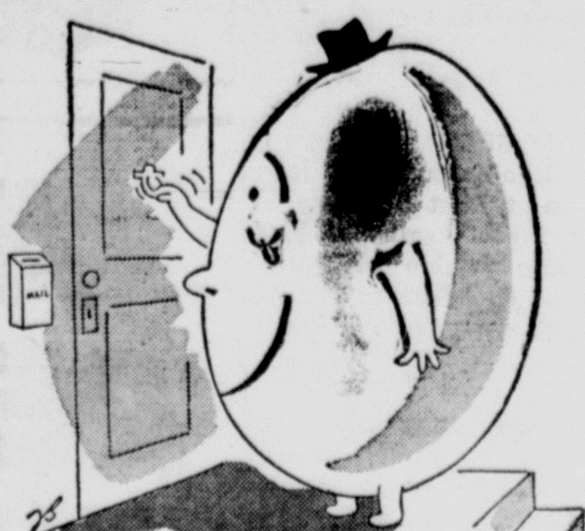

Mrs. Jake Murphy of Hattiesburg, Mississippi is spending two weeks visiting her parents, Mr. and Mrs. Bob Matthews of Cameron.

Mr. and Mrs. Albert Drozd visited Mr. and Mrs. Steve Drozd and Emil Hundle and family in Granger Sunday.

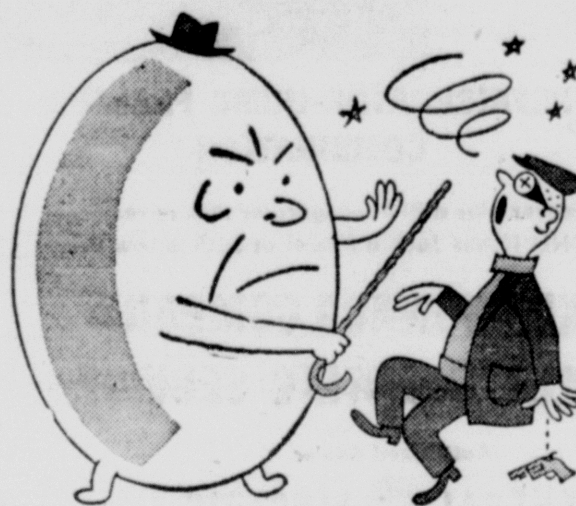

Heard of the "NEST EGGS" that

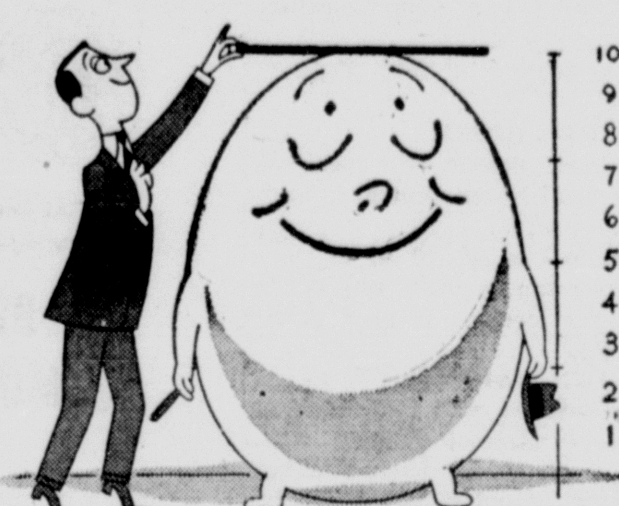

... RESIST FIRE?

... RETURN, IF LOST?

... REPEL BURGLARS?

... GROW 1/3 IN 10 YEARS?

BELIEVE IT OR NOT, "nest eggs" of U.S. Savings Bonds have such amazing abilities!

For the U. S. Treasury registers every Bond's serial number with the owner's name. If destroyed by fire, stolen, or lost, a new Bond is issued to him.

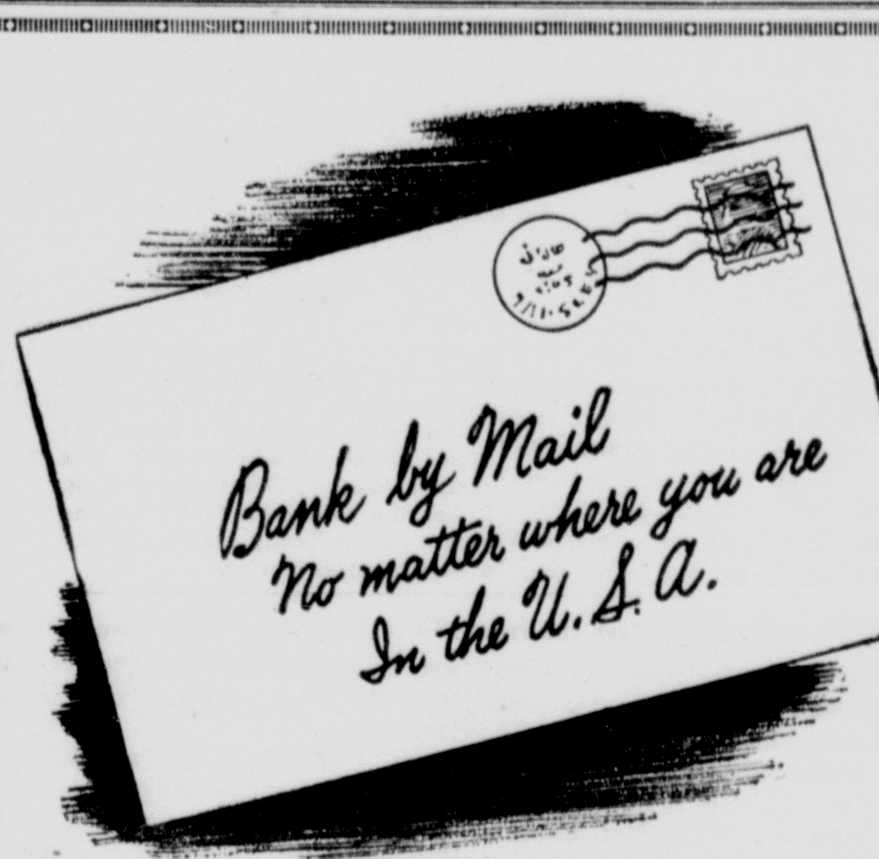

Yes, with your money in Savings Bonds,

you can't lose a cent. In fact, you automatically make 4 dollars for every 3 invested, in ten short years!

So, join the Payroll Savings Plan where you work or the Bond-A-Month Plan at your bank today.

Either way, you'll start gathering safe and profitable "nest eggs" automatically!

**Automatic saving is sure saving—
U.S. Savings Bonds**

The New Plymouth Special Suburban

Here is the new Plymouth Special Suburban, a luxurious all-metal utility vehicle which is the latest addition to the Plymouth line of automobiles. It is now being produced and shipped to dealers throughout the country.

Plymouth Announces Production of Luxurious New Utility Car

Production is under way and shipments are being made to dealers throughout the country of the Plymouth Special Suburban, according to R. C. Somerville, general sales manager of Plymouth Motor Corp.

The Special Suburban is an all-metal utility vehicle with luxury sedan refinements. Patterned along the lines of the DeLuxe Suburban, which Plymouth first introduced in 1949, the new Special Suburban has

retained the styling and utility features which made the DeLuxe Suburban an immediate success. In addition, there are 37 different improvements which add to the car's beauty and comfort.

The exterior of the new car is richly trimmed with chrome and there are many interior refinements. Seat cushions and backs are upholstered in tan Bedford cord; the instrument panel, the windshield garnish moldings and the door

garnish moldings are tan leather grained, and the radio grille is chrome-plated. There are arm rests for both front and rear seats, and assist straps for the rear seats. Appointments throughout the interior have been carefully planned to provide maximum comfort and beauty. The Special Suburban offers the same three-cars-in-one utility that characterizes the DeLuxe Suburban. It has the riding comfort of a fine sedan, and is easily converted into a roomy cargo carrier.

VACANT LOTS GET INFLUX OF CARS

Free parking space in the city was going at a premium Friday as motorists shunned the meters.

Vacant lots, alleys and back door loading spaces were being cluttered up by automobiles owned by those who want to escape payment of the parking fee.

L. Van Perkins, member of the City Council, said all signs on the curb marked "reserved" will be blotted out and these spaces will be reduced to loading zones.

Whether the city council will go so far as to prohibit free use of parking by a favored few about town is hardly to be expected. Complaints have been made by merchants who use their back doors to load and unload merchandise, and some of the ace operatives of the police department were carefully looking into this problem.

It did not appear likely the meter

system would succeed unless the free zones, curb reservations and alleys were brought under the new parking system. There was also the matter of fire protection but it was presumed that if a fire breaks out they would have to hunt up Mrs. Canasta and plead with her to move the family bus.

Since there are no meters around the Court House square a parking war might break out at any moment

Beware Coughs From Common Colds That HANG ON

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

like the conflict that ensued when the Commissioner Court "short potted" the bench warmers on the supreme court.

on the court house lawn and old timers here recall the "bench war" that threatened the tranquility of some of our best equipped civic leaders.

With divided opinion on the city council, and a wide breach between the executive and judicial portfolios and the aldermen the parking meter situation faced a grim reality.

In the meantime if you wish to defeat the meter system you should drive your car down early and park it in the back door of your neighbor in business.

CARD OF THANKS

We wish to thank all our friends and neighbors for their kindness in helping save clothing, bedding and other furnishings when our house caught fire recently. Especially do we want to thank the Cameron Fire Department for their noble work in fighting to save our home. May God bless each and everyone of you is our prayer.

Mr. and Mrs. A. J. Richardson

Mrs. A. J. Urban of Temple is among the patients ill and in Newton Memorial Hospital.

Mr. and Mrs. Jack Thompson of Marlow are visiting relatives in Shreveport, Louisiana this week and will return home the latter part of the week.

Mrs. S. C. Bollinger of Gause visited several days in the home of her parents, Mr. and Mrs. J. A. Quillin the past week.

Friends will be glad to know that Mrs. Anna Adams is improving after a recent operation.

Friends will regret to learn that Mrs. Julian Burnett is a surgery patient in Newton Memorial Hospital.

Mr. and Mrs. J. B. Reid of Waco are vacationing in Galveston a few days. Their son, James, is staying with grandparents, Mr. and Mrs. Joe Schreiber of Cameron.

Linda Lazek, little daughter of Mr. and Mrs. Fred Lazek, Jr., is recovering from her illness in Newton Memorial Hospital.

Miss Evelyn Zarosky has completed a weeks visit with her parents, Mr. and Mrs. Joe Zarosky, Sr. Evelyn is attending the Laboratorian School in Waco. She is a graduate of 1949.

Post card greetings from Dr. and Mrs. W. R. Newton tell of an enjoyable trip they are now making in Wyoming and other points in the West. Dr. Newton, who recently purchased the hospital in Snyder, expects to be away for several weeks, and friends here say they may go to Alaska.

Friends wish Mrs. Giles Burnett a quick recovery from her illness in Newton Memorial Hospital.

At The Churches

PRESBYTERIAN

Dr. E. W. McClaren of Presbyterian Theological Seminary in Austin will preach at both services at First Presbyterian Church Sunday.

Sunday School is at 9:45 and the evening services will begin at 8 p. m. Morning worship services are at 11:00 a. m.

METHODIST

Rev. Mark C. Magers will deliver both messages at First Methodist Church. Sunday school is at 9:45 and morning worship services begin at 10:45. MYF is at 6:45 and Sunday night services begin at 7:45.

Beginning Sunday the Methodists and Christians will hold a joint meeting at the night services. Dr. Magers will preach at the services this Sunday and Rev. Carr will preach the following Sunday.

CHRISTIAN

Regular services will be conducted at First Christian Church.

Sunday School is at 9:45 and Rev. Wendell Carr will preach at both services.

ASSEMBLY OF GOD

Services will be conducted by Rev. H. O. Buttram at First Assembly of God. Sunday School begins at 9:45 and the morning worship services are at 11:00. Junior C. A.'s is at 7:30.

Sunday night evangelistic services are at 8:00.

BAPTIST

Dr. O. J. Chastain will preach at the Sunday services at First Baptist Church in the absence of the pastor, Rev. P. A. Corkern who is holding a revival in Louisiana.

Regular services will be held. Sunday School is at 9:45 and morning worship services begin at 10:55. BTU begins at 6:56 and night services begin at 8:00.

Prayer meeting is at 8:00 Wednesday night.

CHURCH OF CHRIST

W. J. Minick, pastor, will speak at both services at North Central Church of Christ.

Bible School is at 10 a. m. and morning worship services are at 11 a. m. Prayer meeting is at 8 p. m. Wednesday.

BATTETOWN BAPTIST

Regular services will be conducted at Battetown Baptist Sunday with Rev. Lloyd McGinnis, pastor, directing services. Sunday School is at 10:00 and morning worship services begin at 11:00.

Training Union meets at 7:30 and evening worship services begin at 8:30.

Church conference will convene at the prayer meeting Friday night at 8 p. m.

EPISCOPAL

The Episcopal Church will observe Holy Communion at 11 a. m. and Rev. James McKeown will preach the sermon.

Church School will be conducted at 10:00.

TABERNACLE

A special service will be held for the young people in Buckholts Friday night.

CATHOLIC

Rev. George Duda will conduct the 7:30 mass and Father O'Reilly will direct mass at 9:30.

MARLOW BAPTIST

Rev. Joel Thielpape will conduct both services Sunday. Morning service is at 11:00 a. m. and Sunday School is at 9:45. B. T. U. begins at 7:45 and evening worship services are at 8:30.

Anne Bowman Honored With Birthday Party

Mr. and Mrs. George Bowman honored their daughter, Anne, with a party on her fifth birthday Friday, August 4 on the lawn of the Bowman home.

Many little friends gathered on the lawn to wish Anne a very happy birthday. They were Nan Reno, Suzanne Lippman, Carolyn McKeown, Clifford and Inez Evans, Pam, Valerie, and Lynette Green, Janie Monroe, Marsha Dell Seibman, Linda and Ralph Haraway, Faith and Rokkie Roberts, Christina Bartlett, Carol Ann Wilson and Joan Anderson, Diana and Donna DuBois, and George and Betsy Bowman.

The honoree graciously thanked her guests for the many lovely gifts.

Refreshments of ice cream, cake and lemonade were served.

WATER NOTICE

All bills for water are due on the 10th of each month, and since today is August 8, notice is hereby given that those who have not done so may bring in or send remittance for their water bills before the dead line Thursday.

A collection charge of 10 per cent will be added to your bill after August 10 if not paid, and patrons of the Water Company should take notice that no collectors will be sent out as has been done in the past because the city does not have employees available for this service.

This means that a rigid policy of adding collection cost will be followed unless your bill is paid by the 10th of each month.

COACH SMITH—

(Continued from page one)
starters, green material. He isn't exactly weeping, but is leaning considerably to the point of pessimism, and virtually resigned to a season that may not be up to usual standards, although he admits the boys are bucking up wonderfully and are anxious to get to work.

The first game of the season for 1950 will be played on September 8 in West. The complete schedule will be published later, together with a complete roster of the men who are so far as known to be scheduled for

the work ahead. He has lost his tackle, his guards, and a great center from last year. He has two ends returning who played last year, but three starters from the backfield have played out their eligibility and will not be back. This means he will have to lean heavily upon the B squad to furnish men for the line as well as the backfield, and to make up reserve strength.

The Yoemen were runners up in the 1949 season and were nosed out of the championship by Rosebud on the Jinx field in Temple, and that was something to brag about because Coach Smith built a team around a few star men, and almost wholly from reserves, managed to turn in one of the greatest seasons the Yoemen have known in recent years.

The coaching staff this year is as follows: Paul Smith, head coach, Dick Young, Line Coach, Gene Williford, promoted to high school, and will direct B athletics. A new coach is Dan Ross who will direct activities in the grade school. He comes from San Antonio and is a TCU man. He will arrive here on August 29.

Joe F. Hollas, accompanied Mr. and Mrs. Hubert Jistel, Ethel Mae and Lucille Jo Jistel to Waco Sunday to visit M/Sgt. Ervin Hollas.

TALLEST BUILDING IN THE SOUTHWEST

One of the largest and finest office buildings ever erected in this country, shown above, will soon dominate the already impressive skyline of Dallas, the Southwest's great cosmopolitan city. The new Republic Bank Building, announced recently by Fred F. Florence, President of the Republic National Bank, will embody the most modern and advanced architecture, including every convenience possible for both customers of the Bank and tenants of the building. The tallest building in the Southwest, it will soar 440 feet in height. It will be the largest and most modern structure erected in the United States to include a garage and motor banking, together with banking quarters and office building. The main shaft of the building will rise 36 stories above the ground with an additional four stories below the street level. Its tower, extending some 160 feet further into the sky, will give the structure an overall height of 600 feet.

COUNTY SCHOOL BOARD MEETING HELD MONDAY

Schools in the smaller communities are having a hard time retaining their students, and when one community profits at the expense of another, there is usually a bit of fire works.

Milam County School Board here Monday heard a contested question of transfer of students from Gause to Milano. The Board settled the dispute by voting to deny transfer of students in grades being taught at Gause.

Hinton Pruett, Superintendent at Milano, lead the fight for transfer of these students from Gause to Milano, but lost when the Board voted to refuse transfer on the grounds that the grade teaches up to the tenth grade.

At one time, law prohibited students from transferring where similar grades were taught in their home school. Students may transfer now, but may do so at the option of the County Board.

Members of the Board in session here meeting with County Superintendent, Charles M. Hicks are P. F. Fuchs of Buckholts, Will Spiegel of Sharp, John B. Henderson of Cameron, and O. D. Graham of Thornedale. Ernest Noack of Rockdale was appointed a member of the board to succeed Hinton Pruett in Precinct 3 who has been nominated for County Superintendent.

The Watson Branch School was an-

The Cameron Herald

August 10, 1950

nexed to the Thornedale Independent School District on petition of the Board of Trustees for the Watson Branch School.

A major portion of the session was taken up in the consideration of transfers, and in nearly every case the transfers were refused if a similar grade was being taught in the home district, and where local school authorities protested the proposed transfers.

In the case of the controversy between Gause and Milano, the School Board at Gause protested the proposed transfer of students from Gause to Milano.

Mr. and Mrs. Pat Sanders, daughter, Jane and son, Tommy have returned from an enjoyable weeks vacation in New Mexico. They visited Ft. Davis, Van Horn and Carlsbad Cavern in New Mexico and on their return trip visited in the Davis Mountains and the Plains Country. Mr. Sanders is employed in the office of the Texas Company.

Leo Fuchs Away Attending Poultry Association Meet

Leo Fuchs, owner of the Ideal Hatchery of Cameron, is attending the Texas Poultry and Produce Improvement Association in Fort Worth.

The program began on Monday and will extend through today. The climax of the conference is to be a banquet held on Wednesday night.

Mr. Fuchs left Sunday to attend the board meeting of the Poultry Improvement Association in Austin as he is the representative from Milam County on the Board of Directors. As such, he has been appointed to appear on the program Wednesday to discuss the egg situation in Milam County.

Mr. Fuchs is a supporter of the Poultry Improvement plan by which poultrymen throughout the nation strive to maintain a high standard product in their business at all times. They are bound by pledge to cooperate in this respect when they become members of the Association and endorse its practices. If followed closely, the plan helps dealers to offer better products to the consumer, but each member of the Association feels that his efforts are well paid because of the favorable results obtained.

Mr. Fuchs has recently returned from the National Poultry Improvement Convention held in Chicago, and now is cooperating in the promotion of the state program.

Sunday guests in the home of Mr. and Mrs. Ross Posey were Mr. and Mrs. G. N. Posey and son of Houston, Mr. and Mrs. Louis Posey and daughter, Pam, of Waco, Mr. and Mrs. Pat Manley of Pasadena and Eugene Posey with the Air Force stationed at California.

Mr. and Mrs. H. G. Harraway were week end guests of Mr. Harraway's mother in Paris, Texas.

Do You Set Grass Fires? If You Do You Are Hopeless

Cameron firemen were in desperate need of better cooperation on the part of the citizens because of numerous grass fires set in many sections of the city.

Firemen not only take the risk of losing their lives in combating these fires, they are useless and can be avoided. People, especially women, who strike a match and set grass fires just to get a thrill out of hearing the siren and the fire fighting equipment roaring down the streets, belong in a category yet unclassified by scientists.

During recent weeks, Cameron has had an unusual number of grass fires. These fires in nearly every instance were deliberately set. It is getting so dry that the backs of minnows in Bear Creek are sunburned, so the women who set grass fires should bear this in mind. These fires result in a threat to the entire city to life and to property.

Cameron firemen have requested this newspaper to plead for a better spirit of cooperation and we know of no other division of our people who are called upon to make greater sacrifices than are our firemen and if you are one of those who have been setting fire to dead grass, there is little hope of restraining you because you don't really have enough sense to understand what we are trying to say. If your home burns or the privy catches fire, some day after you have struck a match or burned trash and gone off and left the fire blazing or smoldering, you will have nobody to blame but yourself.

Mr. and Mrs. J. R. Hearne and family of Waco were week end guests of Mrs. Evelyn Hearne.

Mrs. Stella McCall is visiting her daughter, Mrs. Dennie Dyeus and son of Corpus Christi this week.

Mrs. Inda Stidham of Cameron returned Monday from a visit to Houston and San Antonio.

Ramsey Gets Manford's Backing

SPEAKER ENDORSES RAMSEY— Speaker of the House Durwood Manford of Smiley, left, announced this week that he would support Ben Ramsey of San Augustine, right, for Lieutenant Governor. Manford said Ramsey's experience as a House member and as a Senator made him the best qualified man in the race. (Pol. Adv.)

IF POLIO COMES

WATCH FOR THESE SYMPTOMS

IT MAY—OR MAY NOT—BE POLIO

CALL YOUR DOCTOR PROMPTLY

If it is Polio, get in touch with your local chapter of THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

HERE ARE SYMPTOMS OF POLIO listed by the National Foundation for Infantile Paralysis. They may—or may not—mean polio. Call your doctor and then, if help is needed, contact your local chapter of the National Foundation. When polio is around, these precautions are recommended: Keep children with their own friends and away from people they have not been with right along. Don't become exhausted through work or hard play. Don't stay in cold water too long or sit around in wet clothes. Avoid becoming chilled. Always wash hands before eating.

FIGHT INFANTILE PARALYSIS

JONES PRAIRIE NEWS

By MRS. S. S. HICKMAN

Rev. Gordon Bullock of Baylor University was a guest speaker at the Little River Baptist Church for the Sunday evening service. The pastor, Rev. Stanley Ray attended the closing revival services at the Milano Church.

Mr. and Mrs. Charles Boland and son Stevens of Dallas visited Mrs. S. M. Harrell Thursday of last week. Mr. Boland is an announcer over radio station WFAA in Dallas.

Sam Bailey of Fort Worth was a visitor in the Community Friday.

Mr. and Mrs. Ross Poteet and sons, Ross Jr., and Calvin of Texarkana visited Miss Edna McKinney and other friends here Friday. Mrs. Poteet will be remembered as Miss Geny Wofford who taught in the local school several years ago.

Moye Burnett of Beaumont spent the week end with his parents, Mr. and Mrs. W. B. Burnett.

J. R. (Dick) Young assistant coach of the Cameron school attended the coaches clinic in Austin the past week.

Mrs. J. H. Burnett is a surgery patient in Newton Memorial Hospital. Her many friends wish her a speedy recovery.

R. H. Huguen of San Diego, California is visiting his brother and family, Mr. and Mrs. V. A. Huguen. The two brothers left recently to visit a sister, Mrs. J. D. Harden in Kinkland in West, Texas. They expect to visit their parents, Mr. and Mrs. Frank

Hughen in Dallas before returning to their home. V. A. Huguen is a naval reservist and is expecting to receive orders to report for active duty.

Mr. and Mrs. James Harwell of Dallas visited Mr. Harwells parents, Mr. and Mrs. J. P. Harwell and Mr. and Mrs. Robert Glenn over the week end. Bobby Glenn returned with them for a weeks visit.

Mr. and Mrs. Ira Lee Parker and sons, Arthur Lee and Gordon of Rogers spent the week end with her parents, Mr. and Mrs. A. L. Burnett.

Miss Eula Lane Sweet spent last week with Mr. and Mrs. A. T. Swazy of Ben Arnold and taught Bible school in the local church.

Miss Carolyn Massengale of Maysfield was a week end guest of Miss Billie Jo Massengale.

Mrs. S. M. Harrell and daughter, Evelyn, Mrs. Dick Young and children, Barbara Jo, Margaret and Paul visited Mr. and Mrs. Dick Harper in Freeport and Mr. and Mrs. C. W. Neal in Houston Monday and Tuesday of last week.

Mrs. J. A. Jamison and daughter, Louise spent the week end with Mr. and Mrs. Elbert Martin of Houston. They will go to Freeport Monday to visit Mr. and Mrs. Hope Jamison and Mr. and Mrs. Pool Jamison.

Mrs. Stanley Ray and little daughter, Barbara and Jane have returned from a pleasant visit with her parents in Longview.

Dr. W. J. Fontaine was a Cameron visitor Saturday.

Mr. and Mrs. Joe Seveik and daughter of Buckholts visited Mr. and Mrs. Anton Seveik and family at Port Lavaca recently.

OFFICER BRITISH NAVY WILL VISIT CAMERON

Mementos from the Destroyer Cameron will be presented by an officer of the British Navy at a time to be arranged here, it was disclosed by J. E. Johnson, who is in receipt of a letter from T. Thyme Henderson, Consul General at Houston.

Mr. Johnson was chairman of the committee in Cameron Rotary Club in 1940 when the club sent a gift box to officers and men of the destroyer and this would account for receipt of the letter in which Consul Henderson also mentions correspondence with Mayor A. N. Green.

Mr. Johnson said he will be at Rotary Club Wednesday to bring this matter to the attention of the club since the club was instrumental through its gift box in bringing about closer relations with the gallant crew of the Destroyer and the people of this city.

It is of interest to note that the city of Cameron is the only town in Texas to have the honor of receiving relics from a British ship because it is the only city for which any of the 50 American destroyers were named. All the ships were named for American cities but only one in Texas.

The destroyer Cameron, when first commissioned for the American Navy, was named The Welles. The City of Cameron was named for Captain Ewen Cameron, a hero of the Texas Revolution. He was born in the Highlands of Scotland, and from this fact, coupled with letters exchanged between the Cameron Clan represented by Lord Lothian and Mayor Charles C. Smith, the Destroyer was named after the city.

Ceremonies involving presentation of the mementoes will be formal and impressive with representatives of the City and the Cameron Rotary Club and other organizations that may take part in extending a welcome to the representative of His Majesty's Government and an officers of the Royal Navy.

The British people were facing the Nazi alone, and the loan of 50 Destroyers was one of the turning points

The Cameron Herald

August 10, 1950

in World War II, later involving the United States as an ally of Great Britain in the war on Germany, Italy, and Japan, known as the Axis powers.

Records to be presented here include the bells, badges, and a book containing the full record of the achievements of the Destroyer Cameron on the high seas as a combat ship during the last war.

Mrs. R. M. Denning and little son, William Charles, have returned to their home in Houghton, Michigan after an extended visit in the home of her mother, Mrs. C. N. Green. Mrs. Denning is the former Miss Helen Greer.

FIRE!

Where Is The Fire ?

That is what every one wants to know, when the fire siren goes on. In fact so many Men, Women and Children call for this information, that the Firemen just have to wait from five to ten minutes to find out where the fire is.

It don't make any difference if Mr. Jone's house is burning, and firemen waiting for information as to where the fire is, so long as Mr. and Mrs. Public are informed first.

We appeal to you citizens of Cameron not to call the operators for this information, if your house or place of business is on fire the owners will be notified at once. Stop your children from asking where the fire is. The firemen are the only people that can help you.

We further appeal to you to stop following the fire truck, and stay parked at least two blocks from the fire, in order that firemen can get there to fight the fire. Let the firemen put out the Jone's home or place of business first, and then you can find out where the fire was.

PEACE HOPES—

(continued from page one)

procedure is acting as president of the security council this month, will not abide by our rules of procedure or by the expressed will of this council.

"The record shows that he has made every effort to stop our work and keep us from our business. If his campaign of obstruction goes on, it can lead to only one consequence. The security council will be stalled on dead center for the remainder of this month unable to discharge its responsibility under the charter of keeping the peace. This is the challenge we must meet."

"I am reluctant to conclude that the Soviet government intends to achieve this result."

Austin suggested the council adjourn 48 hours "in order to allow the Soviet delegation to communicate with Moscow and obtain instructions from their government, instructions which will enable the security council to function."

Malik responded that the Soviet delegation had all the instructions it needed, and suggested the United States wanted time to consult its "satellites."

Malik threw back an Austin charge

of "obstruction", arguing the United States has delayed the council's proceedings in a week-long wrangle, ever since Malik took the presidency, over the procedure on the Korean question.

The council accepted Austin's recommendation and adjourned until 1 p. m. (CST) Thursday.

Austin fired his broadside at Malik directly after Malik accused the United States of using "gangster" methods in trying to force decisions on the council. Malik also put up a resolution proposing that the council order the Americans to cease bomb attacks on Korea's people and towns.

The Russians popped their resolution in to the council after a speech by Malik tagged by several western delegates as part of an obvious filibuster.

Western sources said approval of the resolution would give a big boost to North Korean troops since the

North Korean planes have been swept out of the air by the Americans and no longer present a serious threat to the United Nations forces in Korea.

It has been a full week since Malik ended his half-year boycott of the council and took over as this month's president. In that week delegates have not got beyond procedural arguments on Korea.

Malik said the United States is afraid for the North Koreans to come here and tell the truth about Korea. He demanded that the council invite the communist North Koreans as well as the South Koreans to the table

for the debate on the crisis. The United States and Britain oppose inviting the North Korean's because they have been named as aggressors by the U. N. itself.

Rex Lowe of the University at Austin was a guest in the home of his mother, Mrs. Agnes Lowe here for the week end.

Miss Mary McClaren who has been visiting friends in Yarrellton has returned to her home. Mrs. Add Fikes accompanied her home for a short visit.

**I'm only one of
80,000 EX-BREADWINNERS**

You wouldn't know how it feels to be an EX, unless you are one.

Two million people are injured at work every year, but sooner or later most of them get back on the job, working and earning again. They don't know how lucky they are! Among those 2,000,000 there's an inner group of 80,000, of which I am one. We're the EX-breadwinners. We had accidents—bad ones.

Who can say what the result of any accident will be? Two people have almost identical falls—one gets his wind knocked out—the other is paralyzed for life. Call it fate or what you will, but when an accident starts happening nobody knows how it will end.

You don't have to tell me how personal safety is all wrapped up with the things that make life worthwhile—a good job—good pay—a happy family, well-cared-for and the promise of a bright future.

The least I can do now is pass the word along to you. Don't take safety for granted, an accident can happen to you! Know your job, be alert to its hazards. Think safely. Keep on being a breadwinner!

Gloria Weems Has Party Wednesday Night

Miss Gloria Weems, daughter of Mr. and Mrs. Robert Weems of Cameron, honored her friends with a party at her home Wednesday night, August 2, from 7:30 to 10:30.

Various games were played, including a scavenger hunt. The cousin of the hostess, Alice Persky of Temple and her friend, Wanda Kelly, directed the games.

Friends who attended were Jimmy Rettig, Leon Beale, Donald Johnson, Tom Collins, Ben Hubert, David Mc-

Lane, Joe Lee Heitman, Gerald Sanford, Nan Hubert, Glen Dodson, Joyce Wallace, Yvonne Storey, Jean Bradbury, Nancy Grabein, Ann Wimberly, Annette Manning, Flossie Pearl Lunsford, Monroe Fuchs, Helen Armstrong, Wayne Fisher, Wayne Miller, Wayne Clark.

Refreshments of cake and a choice of cold drinks were served on the lawn of the Weems home.

Mrs. C. A. Lamb of Austin visited her son and daughter-in-law, Mr. and Mrs. Raleigh Lamb over the week end.

The Leo Fuchs Are Hosts At Barbecue

Mr. and Mrs. Leo Fuchs were hosts and hostess to a Barbecue supper at the City park Thursday evening honoring their employees.

The following were present: Mr. and Mrs. Albert Horstmann and family, Mr. and Mrs. Joe Zarosky Sr. and family, Mr. and Mrs. Theo Fuchs, Pete Kunz and Vivian Carleton, Mr. and Mrs. Leo Michalka and family, Mr. and Mrs. Harold Tagel, Joe Zarosky Jr., Fred Tagel, Mr. and Mrs. Willard Chapman and Mr. and Mrs. George Carroll.

Other guests were Mr. and Mrs. Roland Kaderli. Mr. Kaderli is a salesman for the Purina Company.

LONE STAR GAS COMPANY

don't use your body for a thermostat

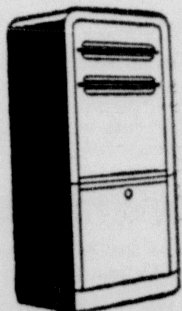

... choose Forced Air Central Gas Heating

Forced air central gas heating systems supply heat for your comfort as if by magic. A thermostat matches indoor heating to the weather quickly, accurately and automatically. You are relieved of the bothersome supervision of your heating system.

Through ducts and registers warm air flows to every room. The air is fresh without open windows. There are no drafts, no chilly floors, no sudden changes in temperature which make you uncomfortable and may cause dangerous colds.

Think how this gives you downright solid comfort, convenience, fuel savings and health protection!

Practically everyone who builds or modernizes a home today installs forced air central gas heating. It adds only two or three dollars a month to payments for a new home. Or you can get it for your present home on your heating contractor's or Lone Star Gas Company's Easy Payment Plan. See about it for your home.

Central gas heating can be installed in a closet or in the attic, under the floor and in a wall. Here certainly is the heating system for modern living.

Jeanette Hairgrove And Patsy Gill Have Lawn Party Wednesday

Miss Jeanette Hairgrove and Miss Patsy Gill were hostesses to a party for their friends on the lawn of the Hairgrove home Wednesday night at 8:00.

Those who attended the affair were Bonnie Gill, Shirley Mullinax, Dorothy Malone, Peggy Malone, Nancy Martin, Betty Holloway, Margaret Mitchell, Joyce Pate and cousin from Idaho, Dorothy Gaines, Bon. L. Harris, Cecil Kornegay, Arnold Kornegay, Phillip McCall, William Spicak, LeRoy Sanders, Jackie Ingram, Bartley Braden, Ronald Hudson, A. W. Burnett, George Bryan, Charles Harris, James Kelly, Hardy Malone, and the hostesses, Jeanette Hairgrove and Patsy Gill.

Chaperones for the party were Mr. and Mrs. C. L. Hairgrove and Mrs. Grady Gill.

Refreshments of cookies and cold drinks were served on the Hairgrove lawn.

Joyce Pate Hostess At Party For Friends

Miss Joyce Pate was hostess to a party given in honor of her friends Thursday night, August 3, at 7:30.

Friends attending were Betty Holloway, Margaret Mitchell, Bonnie Gill, Shirley Mullinax, Dorothy Gaines, Dorothy Malone, Peggy Malone, Bon. L. Harris, LeRoy Sanders, Walter Ray Shoaf, Doolie Tucker, Hardy Malone, Donald Johnson, Edsel Burnett, Truman Pratt, and George Bryan.

Refreshment consisted of assorted cookies and a choice of soft drinks.

Betty Rose Clark Is Shower Honoree

Miss Betty Rose Clark, bride-elect of Wayne Hardwick, was honored with a miscellaneous shower by Mrs. Elnor McDonald at her home Wednesday, August 2, at 8:00 p. m.

Mrs. Doris Kaywood, sister of the bride-elect, presided at the bride's book and directed the registering of the guests.

Mrs. McDonald, Mrs. John Clark, mother of the bride-elect, and Mrs. J. Rogers were in charge of serving the refreshment course which consisted of pickles, olives potato chips, chicken salad sandwiches, and cookies. The 50 guests were also given their choice of cold drinks.

Plate favors were red hearts and small bags of rice inscribed "Betty and Wayne" August 6, 1950, the date of the approaching wedding.

Margaret Tepera And Charles Engbrock Are Married In Cameron

Miss Margaret Frances Tepera, daughter of Mrs. Frances Tepera and Charles Andrew Engbrock, son of Mr. and Mrs. Leo Engbrock were united in marriage Saturday, August 5 at 8:30 a. m. at St. Monica Catholic Church.

Father George Duda officiated at the double ring ceremony.

Beautiful white oleander and zinnias adorned the altar of the church and provided a lovely background for the ceremony.

Given in marriage by her uncle, Joe Seveik of Buckholts, the lovely bride wore a wedding gown of marquisette and lace over satin. Lace scollops adorned the hooped skirt. The tight-fitted bodice was pointed at the waist and her long sleeves of lace terminated in points over the wrist and fastened with tiny self covered buttons. Her finger tip veil of illusion cascaded from a halo of orange blossoms. She carried a prayerbook topped by an arrangement of gladiolas, and wore a white rosary and white pearls.

The bride was attended by Miss Betty Jean Vanecek as maid of honor. Bridesmaids were Misses Rita Hanel, Mary Frances Bigon, and Mary Frances Kamenicky. All wore dresses of white organdy with ruffled skirts. Each bouquet carried by the attendants was of pastel gladiolas, orange, yellow, lavender, and pink respectively.

Eugene Engbrock, brother of the groom, was best man. Groomsman were Morris Marburger, George Tepera, and Robert Zarosky.

Little Johnny Tepera, brother of the bride, was ring bearer and Miss Catherine Hubnik, cousin of the bride, was flower girl.

Little Miss Hubnik was dressed in white organdy with ruffled skirt.

Mrs. Frances Tepera, mother of the bride, was attired in a corsage of pink carnations.

Mrs. Engbrock, mother of the groom wore a navy blue dress of flowered sheer with black accessories and corsage of white carnations.

The couple left soon after the ceremony for a wedding trip to Colorado. Following the trip, they will return to Temple where they will make their home.

Mrs. Engbrock attended Yoe High School and for a number of years was employed by First National Bank of Cameron. Mr. Engbrock attended Rogers High School and at present is employed by the Temple National Bank.

Betty Rose Clark And Wayne Hardwick Married Here Aug. 6

Miss Betty Rose Clark, daughter of Mr. and Mrs. John Clark of Cameron, and Wayne Hardwick, son of Mrs. Raymond Dees of Cameron, were united in marriage at First Baptist Church Sunday, August 6, at 8:30 a. m. Rev. P. A. Corkern, pastor of the church, officiated at the single-ring ceremony.

For her wedding the bride wore a dazzling white dress of taffeta and chose black accessories. Her corsage was of pink carnations.

Mrs. Doris Caywood, sister of the bride, was the only attendant of the couple. She also was attired in a white dress, black accessories and wore a corsage of carnations.

Following the ceremony, the bridal party went to the home of the bride's parents where a wedding lunch was served. The bride and groom cut the traditional wedding cake.

The couple left at 2:00 p. m. for Wichita Falls where they will make their home. The groom is a member of the United States Army Air Force and is stationed in Wichita Falls.

Mrs. Hardwick is a 1950 graduate from Yoe High School where she took active part in the various extra curricular activities of the school, serving as yell leader for the Yoe-man team her senior year.

Mr. Hardwick has lived in Cameron the major part of his life and has served in the Air Force for quite some time. His training at the base in Wichita Fall will be completed in October of this year.

Janice Simecek Celebrates Birthday

Janice Simecek, daughter of Mr. and Mrs. Alfred Simecek of 1404 N. Travis celebrated her fourth birthday with a party in the City Park Wednesday afternoon.

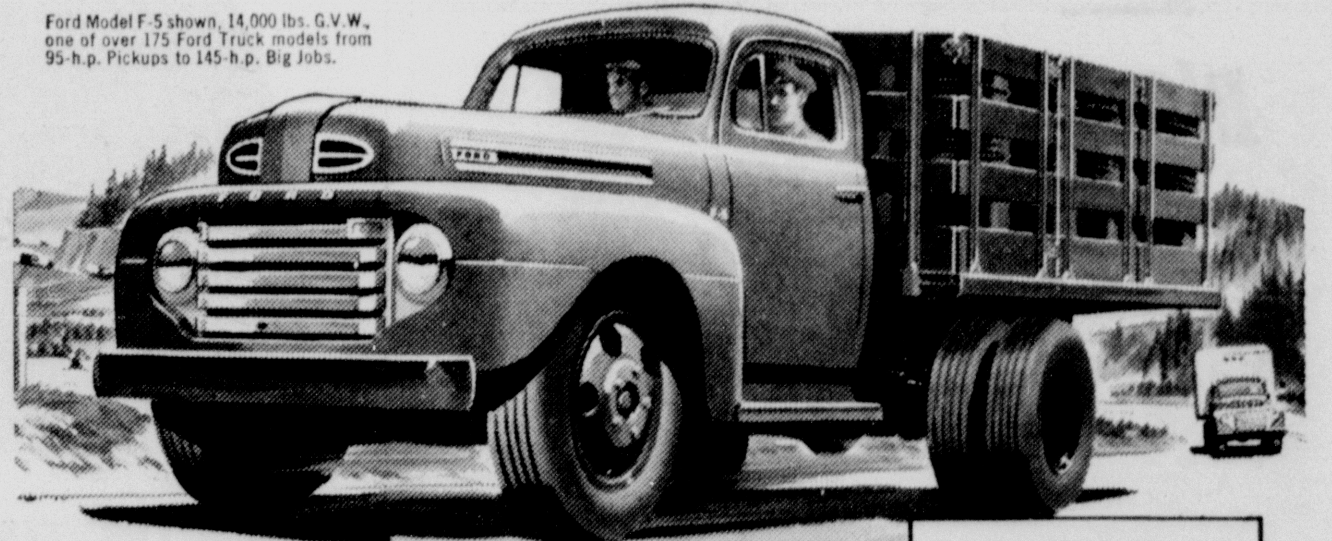

The following little guests gathered to wish the honoree many happy returns of the day. Dianne and Linda McGuire, Mary Alice Duncum, Bertha and Johnnie Unfer, Joy Ann Shuffield, Charlene and Otto Sommers, Judith Ann Andrews, Lynn and Van Shuffield, Johnnie and Evonne Krennek, Alice Coby and Marvin Lee McCulloch.

Following a Series of games the hostess served Ice Cream, Cake and Pop.

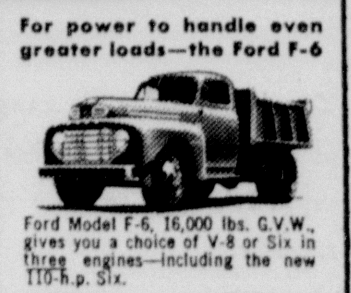

Little Janice received many lovely gifts and thanked everyone in her own sweet way.

IT'S LED THE FIELD FOR YEARS!

Democrats Here Commend Fight To Retain Tide Lands

Texas Tidelands are vital to the State and title therefore is recognized by Milam County Democrats who passed a resolution Saturday commending state officials for their efforts in resisting Federal seizure of these lands.

The following resolution was adopted:

"We, the Democrats in County Convention assembled, Milam County, Texas, do hereby resolve as follows:

WHEREAS, Upon the untimely death of Governor Beauford Jester, Governor Allan Shivers succeeded to the administration of the affairs of this state. In our opinion, he has handled the office of Governor in a practical, businesslike and patriotic manner. His public statements have been typically expressive of the true ideals of the Democratic Party. Therefore,

we endorse the conduct of the office of Governor during the administration of Governor Allan Shivers.

WHEREAS, The State Land Board of Texas, composed of Land Commissioner Bascom Giles, Attorney General Price Daniel and Governor Allan Shivers, has made a brave and vigorous fight to prevent the loss of the tidelands of Texas. Therefore, we heartily endorse these efforts and commend these patriotic public officials for their faithful work in this connection.

WHEREAS, The membership of the Texas Delegation in Congress, including the two Senators, Speakers Sam Rayburn and all members of the House, have given vigorous support to the effort to keep our tidelands. Therefore, we commend the Texas delegation for these efforts and request that they continue to press our claims to the end that Congress shall recognize the right of Texas to keep these tidelands that have always been longed to Texas.

IT IS FURTHER RESOLVED that all matters pertaining to the use and development of the inland waters of Texas, we subscribe to the expressed policy of the State of Texas that after long-recognized Federal rights and interests in navigable waters have been observed, the further use and control of these inland waters should be reserved to the state.

SPRINGER DIED IN CAMERON SUNDAY

Floris D. Springer, 52, a native of Buckholts, died from a heart attack in Cameron Sunday, August 6, while attending a family reunion.

Mr. Springer was stricken while attending the reunion, and although rushed to a local hospital, he died within a few minutes after he became ill. He was born near Buckholts and in 1919 was married to Miss Sophie Eichenhorst.

Funeral services were held at 2:30 p. m. Monday, August 7, at Hope Lutheran Church at Buckholts by Rev. E. T. Sager of the Rockdale Peace Lutheran Church.

Interment was made in the Buckholts Lutheran Cemetery with the Green Funeral Home at Cameron directing arrangements.

Surviving are his widow, Mrs. Sophie Springer, Rogers; one son, Kenneth Springer of Bartlett; two daughters, Mrs. Joe Hardeman, Marlin; Mrs. Alvin Horstman, Dallas; his mother, Mrs. Georgia Springer, Marlin; two brothers, Jack and Bill Springer, Marlin; five sisters, Mrs. Jim Evans, Marlin, Mrs. Lee Matthews of Buckholts, Mrs. Wilson Jordan, Mrs. Carl Thomas, and Mrs. Lonnie Shannon of Houston; two half brothers, Ed Springer, O. D. Springer; one half sister, Mrs. Will Little, Houston; and four grandchildren.

Remember when we used to get a premium with everything we bought—and another when we paid the bill? Nowadays the only premiums we hear about are the insurance kind.

TWO DIVISIONS TO LEAVE FOR WAR FRONT

WASHINGTON, Aug. 2. Military spokesmen indicated Wednesday that at least two more crack regular Army divisions shortly will be en route to Korea to bolster Gen. Walton Walker's hard-pressed forces.

The troops will augment the 1st Marine Division and four Army divisions now in the Korean theatre of operations, and some experts believe the reinforcements will enable the launching of a U. S. counter-offensive by mid-September.

American war planners have estimated that such a drive can be undertaken when U. S. strength is built up to a point where Walker can hurl six divisions against the Korean Communists while holding one division in reserve.

Defense officials pointed out that the four National Guard divisions and two regimental combat teams now under mobilization orders can replace in part the Army's mobile reserve stationed in the United States.

Pentagon observers anticipate that embarkation orders soon will be issued to the 82nd Airborne Division at Fort Bragg, N. C., and the 3rd Infantry Division at Fort Benning, Ga.

Both the paratrooper 82nd and the famed 3rd Infantry Division are in an advance state of combat readiness and are close to full war strength.

Indications that their departure is imminent came in a official spokesman's insistence that though the situation in Korea is "still serious" the overall, long-range position of United Nations forces is "improving."

Call up of the National Guard units and reactivation of two World War II training camps emphasized the steadily increasing intensity of the rearmament program.

Mr. and Mrs. O. L. Baldrige and family are visiting relatives in Freeport, Galveston, and Anahuac while on vacation this week.

Baptist Workers In Conference At Battetown Church

Worker's Conference Milam Baptist Association was held Friday night, August 4, at the Battetown Church.

Monthly board meetings were conducted at 6:00, and the general session of the conference began at 7:30 after hospitalities were extended by the Battetown delegation.

Theme of the entire program was "Our Church and Its Organizations." Richard Moseley, Sunday School Superintendent of Cameron First Baptist presented the first part of the program, discussing the "Sunday School and Its Functions."

Appropriately succeeding the discussion on the Sunday School and its organization, was the discussion on "The Training Union and Its Functions," presented by Rev. Joel Thiel-pape, new pastor of Marlow Baptist Church.

Mrs. R. L. Brown, State WMU worker, told of "The WMU and Its Place in The Church." Dr. R. L. Brown, pastor of the First Baptist Church of College Station, delivered a thought-provoking talk on "The World As It Is Today."

Special music was rendered by Rev. Ralph Powell, pastor of Rockdale Baptist, on his musical saw. Dr. Lemuel Hall, District Missionary, delivered the evening sermon.

Rev. P. A. Corkern, pastor of the Cameron First Baptist Church acted as Moderator and Herman Schulz of Burlington conducted the singing, assisted by his daughter, Maggie, pianist.

A large crowd filled the newly constructed Battetown Church to overflowing, and Burlington Baptist won the attendance banner with the largest percentage represented.

The Worker's Conference was held on Friday night this month in accordance with the decision made at the board meeting last month. Meetings were formerly held on Monday mornings.

Recruiting Officer Guest Speaker At Lions Club Tuesday

Sgt. Erwin E. Cobb, recruiting officer for Milam and Bell Counties was guest speaker at the luncheon of the Cameron Lions Club Tuesday.

Sgt. Cobb gave a lecture on the industrial developments of the United States and showed a film to the club which included the oil industry, the progress of the railroad system, factories of various kinds, and the different phases of agriculture, industry.

Bill Arthur was chairman of the

program and introduced the speaker and other guests were Highway Patrolman Jack Higginbotham and O. D. Lewis.

Plans for the annual fall carnival were discussed and it was reported that it would take place in September.

Funds received from the carnival are used to benefit the underprivileged children of the city for glasses, tonsil operations and other needy causes that might arise from time to time.

Miss Bonnie Pratt visited in the home of Betty Jo Short Sunday.

HARMONY PREVAILS IN CONVENTION HERE

Harmony prevailed in the County Convention in Cameron Saturday when delegates were named to the State Convention.

The convention adopted a resolution endorsing the fight to retain Texas Tidelands.

The convention also heard a discussion by Oxsheer Smith who urged the importance of the state retaining control over inland waterways. Mr. Smith who is a member of the Brazos River Reclamation Board declared where dams are built they should be property of the state and revenue from them should go to the general fund.

Texas or any other state accepting federal funds for the construction of dams may never be able to establish entire title nor control the income.

Texas has a law already controlling public streams and waterways and is strictly enforced in the preservation

of game and wild life.

H. H. Coffield of Rockdale called for a resolution and was seconded by Hugh Powell of Ad Hall, for a committee to draft the resolution supporting Mr. Smith's position.

The Committee will be John B. Henderson, Carl C. Black of Cameron and N. E. Alford of Rockdale. Although not a member of the committee, Mr. Smith will assist in drafting the resolution.

J. B. White, Chairman of the Democratic Executive Committee, who has been ill for several months had met with the committee at 10 A. M. Saturday but was unable to attend the convention at 2 P. M. He prepared the agenda for the convention, listing the Precincts and the vote cast in the convention and laid out instructions on matters to be acted upon. This information was laid before the convention by Ed Gunn, County Attorney.

John B. Henderson was elected Chairman of the Convention and L. Van Perkins was elected Secretary.

Chairman Henderson named the following committee to canvas the returns of the Precinct Convention and to submit a list of delegates to the State Convention. The committee is composed of E. A. Perrin of Cameron and W. K. Hogan and Sam Peeples of Rockdale.

Delegates were sent to State Convention uninstructed on motion of H. H. Coffield of Rockdale with the second by Lester Williams of Cameron.

Upon motion by Lester Williams with a second by Narvie Caperton, the Convention voted unanimously its appreciation of the work of County Chairman, J. B. White in handling the affairs of the Democratic Party in Milam County and the efficient manner in which he had conducted the Primary Election in the County.

A motion by E. R. Perrin with M. N. Stricker of Rockdale as second the following names were added to the list of delegates by the convention: Mr. and Mrs. J. B. White, Mr. and Mrs. Emory B. Camp of Cameron and John Marak of Marak.

Mr. and Mrs. John Reynolds visited in the home of Mr. and Mrs. O. H. Reynolds over the week end.

The opportunitis meets the wolf at the door and gets a hide for a new fur coat.

WAR THREAT CAUSES MATERIAL SHORTAGE

Construction work may get underway soon on the farm to market road from Pettibone to San Gabriel it was indicated here Saturday morning by Judge Dan Tyson.

Judge Tyson said a representative of the contractor would be in Cameron next week to arrange as far as possible, to begin work on the road.

This contract is the largest of any farm to market road jobs and is one of three to be started in this county soon.

Judge Tyson said that war threat may cause a delay in road work because there will be a scarcity of steel and other materials if re-arming the country demands large outlays.

In addition to the critical material situation the question of labor will naturally be important.

Two other farm to market roads are to be built in the Ben Arnold and Clarkson Area but there has been no announcement indicating when this work will begin.

J. F. PHARRIES BURIED MONDAY AT NORTH ELM

J. E. Pharries, 76, of Gause died Sunday morning at 1 A. M. August 7.

Mr. Pharries who had been ill for some time and whose condition became critical Sunday passed away in the Newton Memorial Hospital.

Mr. Pharries was born August 24, 1873 in Pyton, Indiana but had lived in Milam County since a young man and was well known in Cameron and surrounding communities.

Funeral services were to be held from the Marek-Burns Chapel at 5 P. M. Monday with Rev. Russell Lovell, pastor of the Milam Baptist Church conducting the services. Burial to be made in the North Elm Cemetery with Marek-Burns directing arrangements.

Surviving are his widow Mrs. Della Pharries of Gause; one son W. E. Pharries of Hearne; Six daughters, Mrs. Will Lake of Cameron, Mrs. F. D. Fowler of Gause, Mrs. Nell Walston of Branchville, Mrs. Hattie Edgin of Texas City, Mrs. G. W. Miller of Houston and Mrs. Edd Denman of Longview. Twelve grandchildren and nine great-grandchildren also survive.

Pallbearers were: Alton Fowler, Virgil Lake, Clarence Walston, Bill Pharries Jr., Giles Burnett and Vernon Angell.

Blinging has great functional value—it keeps the eyes moist and clean and provides brief moments of rest for the nerves.

All the beer consumed in the United States in a year's time would make a river 25 feet deep and 115 yards wide stretching from Bridgeport, Connecticut, to Washington, D. C.

"I have a dog that growls, a parrot that swears, a fireplace that smokes, and a cat that stays out all night. Why should I want a husband?" the spinster says.

The Cameron Herald August 10, 1950

Transfer Of Students Must Be Made At Once

Gilmer-Aikin School legislation forbids schools to accept students who were not transferred.

Cameron School officials stated this week that some students who have been attending this school may not be permitted to do so this year unless their parents go to the County Superintendent's Office and transfer them immediately. In making the above statement, Superintendent, W. T. Hanes, gave the following quotation from a letter which he has just received from the Texas Education Agency which reads as follows:

"We urge your immediate and careful attention to this matter of transferring all children who are not enumerated on a census roll, but who should attend a school other than that of their residence. Since a school district cannot receive credit for the average daily attendance of any child residing in another district unless that child is transferred by the County Board and the transfer approved by the Commission of Education, it is vitally important that most careful attention be given to the matter of transferring scholastics from one district to another and it is our sincere hope that no district will suffer loss of average daily attendance or of transportation funds because students who attend their school are not properly transferred."

The above simply means that a student who does not live in the Cameron Independent School District and who is not transferred by his parents will not be permitted to attend the Cameron Public Schools for the 1950-51 school year.

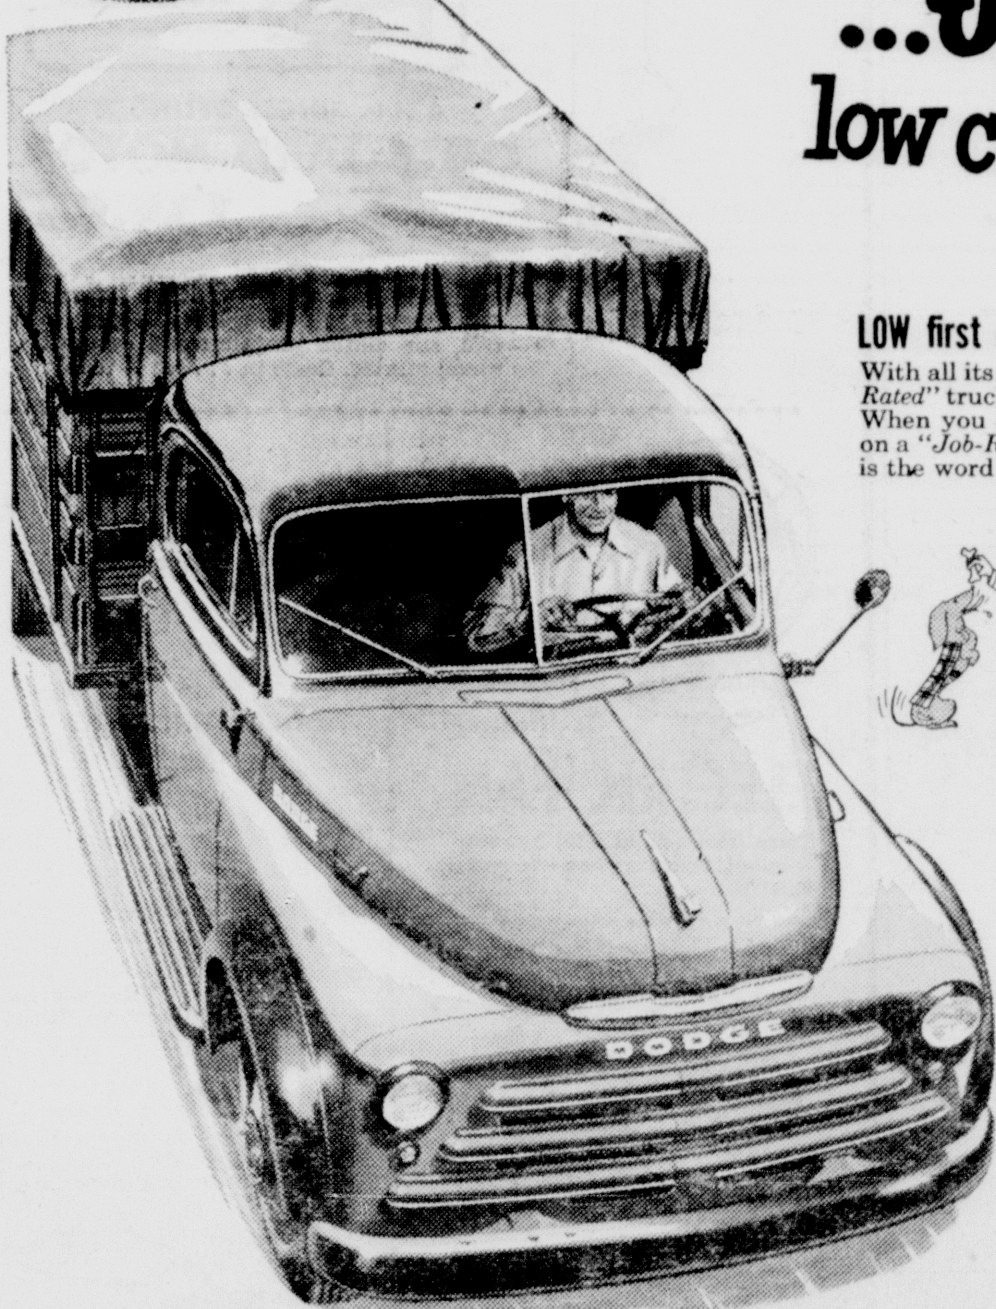

Misses Ruth Turner and Joyce Allison were Sunday visitors in Somerville.

**Burlington Baptist
Church Ordains
Three New Deacons**

Ordination services for three deacons were held Sunday August sixth at 3:00 p. m. at Burlington Baptist Church.

Deacons who were ordained were: Floyd Swamy, Hugh Davenport and C. F. Prescott of Burlington. Special music was rendered by the wives of the ordainees and Mrs. Joe Gilmore who sang "It Pays To Serve Jesus."

Rev. T. A. Binford of Rosebud Baptist Church delivered the charge to the newly ordained deacons and to the church which was to accept these deacons into service.

Pastor of the Burlington Church is Rev. Joe L. Gilmore. The present church building is newly erected and is serving the people of the Burlington community.

We wish to express our heartfelt gratitude to the many friends who were so near to help us in our time of sorrow at the death of our father, Rudolph Krall. At such a time, your kindness and consideration expressed with flowers or food and your words of consolation are so deeply felt that words cannot express our gratitude. We especially wish to thank Dr. Swift, Sheriff Carl Black and Green Funeral Home for their sympathetic understanding and kindness.

Mrs. Joe Weatherford

Mr. and Mrs. C. L. Hairgrove were recent business visitors in Somerville and Brenham.

George Roden has returned to Louisiana after visiting Mr. and Mrs. Jess Holloway and Mr. and Mrs. Homer Crook of Cameron and other friends and relatives of Jones Prairie.

BELTON, Aug. 8.—Miss June Baker of Hopkinsville, Ky., has been named publicity director and instructor in Journalism at Mary Hardin-Baylor college for the 1950-51 school year.

Miss Baker received her Bachelor of Arts and Master of Arts degrees from the University of Kentucky. While doing graduate work she held the position of part time instructor in Journalism and was counselor at a women's dormitory.

She served one year as instructor in Journalism and director of publicity at Oklahoma Baptist university, Shawnee, Okla. For nine months she held part time position as director of publicity at Bethel Woman's college, Hopkinsville, Ky., and has been society editor of the Hopkinsville daily paper.

As an undergraduate Miss Baker president of Theta Sigma Phi, national honorary and professional fraternity for women in Journalism; president of the Baptist Student union; editor of the yearbook; a member of Mortar Board, senior women's honorary fraternity, and was listed in Who's Who Among Students in American Colleges and Universities. She was managing editor of her college newspaper.

She also has taught college and

high school English courses and has completed the requirements for a degree in English.

Miss Baker will assume her duties at Mary Hardin-Baylor Sept. 7.

Weed Burnett of the Hoyte Community was a Cameron visitor Monday. Mr. Burnett has been confined to his home for the past three months on account of illness.

Mrs. A. T. Epperson of Houston visited in the home of her mother, Mrs. Henry Sapp during the week. Mrs. Sapp accompanied her daughter home to visit several weeks.

Sojourning in The West

Mr. and Mrs. Lester Glass are currently spending their vacation in the Yellowstone National Park area in northern Wyoming.

Word from Mr. and Mrs. Glass tells of their enjoyment of this trip to the West. They have been visiting the Yellowstone area for a number of years and expect to return to Cameron within the next few days.

In their absence, Glass the Florist is being operated by Mr. and Mrs. Donald Glass.

If the paper shortage continues they are going to have to make our shoes out of leather again.

First of the Fine Cars in Value

Even Wiser than He Seems

PLAINLY, here travels a man wise in the ways of fine motorcars:

You know that, by the four Ventiports and the rich sweep of chrome which mark his car as a ROADMASTER.

You know it, should you trail him on the highway, by the smooth lift of the big Fireball

**Only BUICK has
Dynaflow- DRIVE®
and with it goes:**

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • **NEW-PATTERN STYLING**, with **MULTI-GUARD** forefront, taper-through fenders, "double bubble" taillights • **WIDE-ANGLE VISIBILITY**, close-up road view both forward and back • **TRAFFIC-HANDY SIZE**, less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE**, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • **WIDE ARRAY OF MODELS** with Body by Fisher.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

power plant at his toe's command, by the obvious levelness of the ride he enjoys, the swift ease with which Dynaflow Drive solves his traffic problems.

What is not so plain from what you see is that here also is a man very wise in what today's dollar should buy!

For this man has all that a fine-car owner can ask for—brilliant performance, a ride without equal for gentle softness, finger-easy handling, abundant room all around him, styling that is easily the most distinguished on the highway.

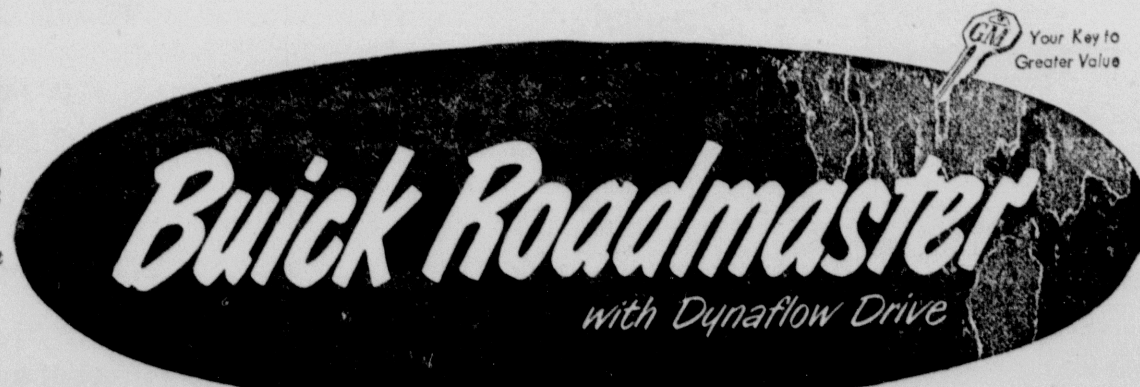

Yet he paid considerably less than comparable merit costs elsewhere.

He found fewer extra charges in his delivered price, with such things as Dynaflow Drive, foam rubber cushions, windshield washers, electric clock, even non-glare rear-view mirror included in the price.

If you know fine cars, it won't take fifteen minutes behind a ROADMASTER wheel to see that here is one of the finest.

If you have inquired about prices, a single glance at the delivered figures establishes this as the big buy of the field.

Why not make both checks—especially since your Buick dealer will be glad to arrange a trial run in a ROADMASTER any time you care to call on him?

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Aldermen Absent So Council Cannot Transact Its Business

The City Council was unable to transact some unfinished business on Monday night because of the absence of three members of the council.

It was understood the business to be transacted was routine and held over from the firey session that occurred on August 1.

The next regular meeting of the city council will be August 15. Alderman absent were L. Van Perkins,

August Kunz and Milton Schiller. Present for the meeting were Bob Terry and John Andres as well as Mayor Green.

Exact nature of the business to be transacted was not known. Mayor Green has not signed a contract authorized by the council for the employment of the manager of the Water Company. This is one of a number of things he has declined to do when first presented to him by the council.

Herald Want Ads Pay Dividends.

ENFORCEMENT UP TO CORPORATION COURT

Enforcement of the parking meter ordinance was assuming some proportions here Saturday with around 20 cases lodged at the City Hall.

Marshall Terry, special officer in charge of enforcing the meter ordinance was doing his full duty by reporting violations and it will be squarely up to Mayor Green, as recorder of the Corporation Court to docket these cases, or dismiss or ignore them.

Thereby hangs by a brittle thread the whole question whether there is to be enforcement.

The City Council voted to institute immediate enforcement but it is questionable whether the council has any authority, therefore it is up to the Mayor and the city attorney to follow through on all complaints filed by officers.

It was not known whether there is any intention to follow through with cases. More than likely the whole traffic problem will be handled in typical Cameron fashion, and that would be to gradually ignore the

whole question of respect for ordinances enacted and paid for by taxpayers and published at great expense. Then there is the matter of maintaining an expensive constabulary, increasing each year as more men are put on the pay roll.

Mayor Green told the Council he did not remember if he had ever held a session of court. It begins to appear that Rip Van Winkle may have been a night club habitue instead of a somnolent. The status quo is the first requisite of good public service in Cameron.

The city is faced with another problem. Who is going to pay for the cement to fill up the holes in the sidewalks when they take out the meters?

LITTLE LINDA VISITS HERE

Little Linda Sweaks was a visitor in the Herald office Tuesday morning, looking very beautiful in a new summer frock. Little Linda now weighs 20 pounds and will be 3 years old October 1. She will be remembered as the blue baby and following an operation in Dallas last year, she has been making good progress. She is the daughter of Mr. and Mrs. Claude Sweaks.

Holloway Laundry Winner of Softball League; 9 Victories

Holloway Laundry is the winning team in the summer Cameron Softball League with a total of 9 victories and one defeat.

Members on the team are Billy and Bob Holloway, Joe Hawkins, Olen Armstrong, Howard and Leon Beale, Eddy Lankford, Preston Reichert, Billy Hawk, Richard Jones, Grady Allen, and Eldon Batte.

The winning team yielded only once during the competition, the last game of the season Tuesday night August 1. This game was lost to C. Y. O. 23 to 10.

W. C. Allen was chairman of the summer softball committee and a high degree of interest was manifested here although there were 8 entries in the league last year and only 6 this year. Competition teams this summer were National Guard, Holloway Laundry, Jack Logan Service Station, Catholic Youth Organization, G. I. School, and Yarrrelton.

The Softball League has gained a distinctive position for itself during the past two years as a means of entertainment during the traditionally dull summer months. It has been especially welcomed by softball fans and players.

CAREY O. ARENDALE IS BURIED IN CAMERON

Funeral services for Carey O. Arendale, 56, were to be held at 5:00 Monday afternoon at the Chapel of Green's Funeral Home by Rev. Mark Magers, pastor of First Methodist Church.

Mr. Arendale died Saturday, August 5, at his home in Williams, Arizona. He was a native of Burleson County, born at Somerville, and Rev. W. J. Comer, pastor of the First Methodist Church there assisted Rev. Magers in funeral services Monday here.

Mrs. Arendale is the former Miss Eula Wilson of Sharp. After their marriage they lived for a time in Temple. He was formerly supervisor of Fred Harvey enterprises in Arizona, Oklahoma and California, and at the time of his death was manager of Bright Angel Lodge at Grand Canyon, Arizona.

The body arrived over the Santa Fe in Cameron Monday morning and was taken to the Green Funeral Home. Members of Knights of Pythias were pallbearers, and the American Legion held a military service at the gravesite in Oak Hill Cemetery.

Survivors are his widow, Mrs. Eula Wilson Arendale, four sisters: Mrs. M. G. DeMent, Austin; Mrs. J. R. Henson, Texas City; Miss Annie Arendale, Somerville; Mrs. E. W. Bishop, Beaumont; three brothers: B. S. Arendale, Beaumont; T. B. Arendale, Port Arthur; W. F. Arendale, Somerville.

Mr. and Mrs. Nathan Wilson have returned from a visit in the home of Mr. and Mrs. R. C. Wilson in Corpus Christi and other places of interest while on a two weeks vacation. Mrs. Wilson is cashier at the J. C. Penney Company and Mr. Wilson is employed by the Texas Power & Light Company.

Mrs. Jake Murphy of Hattiesburg, Mississippi who is a guest in the home of her parents, Mr. and Mrs. Bob Matthews here visited in the home of Mrs. Pearl Drozd recently.

August 10, 1950

MRS. C. P. GANDY DIED IN CAMERON MONDAY

Mrs. C. P. Gandy, 71, died at her home in Cameron shortly after noon Monday, August 7.

Mrs. Gandy had been critically ill for about 3 months at the family residence in the Green addition, and although her death was not unexpected, it came as a severe shock to friends throughout the city and to a host of relatives.

Mrs. Gandy was a native of Alabama, born at Tuscaloosa in 1879, daughter of the late pioneers Samuel and Josie Rolan. She was married to C. P. Gandy, and they were the parents of 4 children. The family lived in the Yarrrelton community for many years and it was there that Mrs. Gandy became a member of the Baptist church at the age of 12.

The family left their Yarrrelton home some years ago, and Mr. and Mrs. Gandy moved to Cameron where they have made their home. Because of ill health, Mrs. Gandy had not been active for some time. She was devoutly religious and lived in the Christian faith, her first thoughts always were of her family and her church.

Funeral services for Mrs. Gandy were to be held at First Baptist Church at 4 p. m. Tuesday, August 8, with interment in Oak Hill Cemetery and the Green Funeral Home directing arrangements. In the absence of the pastor, Rev. P. A. Corkern, who is in Mississippi holding a revival meeting, Dr. Mark C. Magers, pastor of First Methodist Church was asked by the family to conduct the services.

Surviving are her husband, C. P. Gandy, Cameron; one son, Rolan Gandy; three daughters, Mrs. Carlie Scarborough, Miss Hettie Gandy, and Mrs. Joe Gibbs of Cameron; two sisters, Mrs. Essie G. Walker of Waco, Mrs. Velma Robertson, Houston; three grandchildren, Bobby Rolan and Patricia Gandy and Billy Joe Gibbs.

Mrs. S. R. Bollinger of Gause is a guest in the home of her parents, Mr. and Mrs. J. A. Quillin here this week.

Dr. and Mrs. R. M. Titsworth and Mr. and Mrs. Albert Drozd attended the North and South football game in Austin Friday.

LOCAL UNIT COMPLETES MANEUVERS AT HOOD

By LLOYD ALBERTSON

"You may be mobilized in two weeks, in two months—or maybe not at all."

That was the way Lt. Col. Brewster, Commanding Officer of the 649th AAA Battalion, disposed of the rumors and speculations as to whether the 49th Armored Division will be called into Federal Service. He made the remark during the course of a speech to members of the Battalion on Saturday afternoon at the end of their two weeks of field training at North Fort Hood.

The three officers and forty enlisted men of Battery C who attended the summer camp there at Fort Hood returned to Cameron on Sunday morning, ending two weeks of summer field training that can be described as rough, hot, hard work—and plenty of fun.

The Guardsmen left Fort Hood at 7 A. M. and arrived back at the Armory in Cameron at 10:00 A. M., making the trip in their own vehicles.

Just before dismissing the men, Capt. Rudolph Michalka, in a short speech, commended them on the fine showing they had made at camp. He said that all of the Battalion's officers were pleased by the results of the training.

Col. Brewster, in his speech on Saturday afternoon, had said the same thing. He pointed out that the Battalion was still far below its full strength, and so each Guardsman had to do about two men's work.

"And," he said, "I think you have done it."

Touching on the many rumors that the 49th Armored Division was to be mobilized, he said that no one in the division, not even Maj. Gen. Albert Sidney Johnson, its commander, had received any information on that point so far. He pointed out that if and when such orders were received, they would come down through channels, and each Guardsman would be notified promptly. In the meantime, Col. Brewster suggested that they return home to their civilian jobs. "All of us in the Guard have civilian jobs of one kind or another," he said, "and the best thing we can do is to go back and work and ignore all these rumors."

Texan Given \$310,531 By Polio Foundation

AUSTIN, Texas, Aug. 1.—The National Foundation for Infantile Paralysis has poured \$310,531 into Texas to help pay for care of polio patients, Ralph E. Frede, state representative, said Tuesday.

At the same time last year the foundation had sent \$287,593 into Texas.

Nationwide the foundation has advanced \$4,084,609 since Jan. 1 to 598 chapters, including forty-nine in Texas, whose march of dimes treasuries had been emptied, Frede was informed.

Additional equipment shipped into Texas to take care of more than 1,200 new cases of polio included fifty-five iron lungs, thirty-nine hot pack machines, forty-six cribs and forty-eight beds.

Some men are known for their deeds. Others for their mortgages.

ARMY ASKS 62,000 MEN FOR SERVICE

Draft boards have been ordered to call another 10,050 Texans for examinations.

Brig. Gen. Paul L. Wakefield, state selective service director, announced the new draft call Friday, several hours after the Army announced that it will call 62,000 individual inactive and volunteer enlisted reservists during September and October. The reservists probably will begin receiving notices next week to appear for final type physicals.

Concerning the new draft call, McLennan County Draft Board Chairman W. T. Clark said Friday afternoon that the local board in Waco has received no orders for new calls. It is expected the order for the new draft quota will reach here Saturday or Monday.

Wakefield said the State's October draft quota of 2,514 will be taken from the call ordered today. Men involved in the new call will take physicals between August 21-25.

The Army's call for enlisted and volunteer reservists of the 19 through 25 age group "with or without" their consent said they would receive orders 21 days before reporting for active duty. To meet such a time table it would be necessary for the men to complete their physical examinations in time to receive their orders by August 25, 21 days before September 15, the report date.

Proposed Charter Election Should Be Thoroughly Understood

Petitions are being circulated calling on the City Council to order an election to determine whether the people want to vote on a proposed charter.

This procedure may be a bit confusing, and is not generally understood. Those who are sponsoring the petition should be careful not to press an election until the matter has been thoroughly understood by the people.

Before any election is held, there should be full public discussion so that everyone may be informed.

Normally, it is not necessary for an election to be held to determine whether a charter shall be submitted or whether a Charter Commission shall be named. The usual procedure is for the Mayor, with the approval of the Council, to name a Commission composed of citizens to write a charter, and this document is printed and distributed to every voter in the city so that full understanding may be had of what is to be voted upon, and then an election is called, and the charter is submitted for ratification.

If subsequent decisions or statutes have made this commonly accepted procedure questionable, then the matter should be so stated to the people so that they will understand what is being attempted here.

Everyone who knows the facts will agree that Cameron needs a new system of government. It is one of a dozen communities left in Texas operated under the general law, and as a result, its powers are so limited it cannot progress under modern conditions.

John Breland from Baylor University directed the singing in First Baptist Church Sunday.

Miss Betty Joe Mullinax of Houston visited her parents in Cameron the past week end.

New Bleachers To Be Completed Here For Opening Game

Here is good news for Cameron and especially football fans who are looking forward to the Yoeman schedule this fall.

Supt. W. T. Hones has announced that work on the bleachers will be finished in August.

Additional seating capacity in the stadium has been made possible by the installation of these new bleachers.

Mr. Hanes said the woodwork is being done by local labor while the steel construction is under contract to an outside firm.

Coach Paul Smith has returned to Cameron from his summer vacation and will start working with his Yoeman team.

Mr. Hanes said the new stadium arrangement will be ready for the opening game in early September.

CARD OF THANKS

We wish to express our deepest appreciation to the many friends who offered consolation in the recent loss of our loved one, R. W. Wilson. These expressions were made in the form of floral offerings, food, and words of comfort which made our burden so much easier to bear. We wish to extend our special thanks to Dr. Crump and Dr. Walker and also to the staff of nurses at St. Edward Hospital for their never tiring patience and efficiency.

Mrs. R. W. Wilson and Family

Mrs. Rosalee McFarland, employee at the Cameron Herald Office has returned to her duties after a two weeks vacation.

ANNOUNCING

Mr. and Mrs. Clint Bollinger are the proud parents of a son born Wednesday August 2 at the St. Edward Hospital.

The baby has been named Glenn Douglass and weighed eight pounds and seven ounces. The Bollingers have another son Ronald Clint who is two years old. They recently returned from Bentonville, Arkansas.

Mrs. Bollinger will be remembered as Miss Dell Kirk.

In addition to a regular brain inside their skulls, the bigger dinosaurs also had supplementary brains in their spines.

Los Angeles, Calif. was originally named El Pueblo de Nuestra Senora la Reina de Los Angeles de Porciuncula.

One thing that can be said for the automobile is that it virtually stopped horse stealing.

B. Eixman Gives To First Bale Fund

B. Eixman of the Texas Star Bar was the first volunteer contributor to the first bale premium fund Thursday.

He left \$3 at the Cameron Herald to be paid to Walter Senkel, who brought in the first bale. Mr. Eixman's contribution is greatly appreciated, and there are many others in Cameron who no doubt will want to make a contribution to this fund, and they may do so, if they desire, by mailing or sending their money to The Herald.

Junior Chamber To Talk Bale Premiums

Premium for the first bale of 1950 cotton may be realized here next week when the Junior Chamber of Commerce meets to discuss whether it will sponsor the list.

As far as known only \$53 has been paid to the premium fund with \$50 coming from Temple and \$3 being paid by B. Eixman of the Texas Star Bar.

This newspaper will be glad to receive contributions to the fund and turn them over to any organization that will sponsor the premium.

The City of Cameron Will Soon Receive Relics From Destroyer Sent Britain In 1940; Ship Was Named For City of Cameron

The City of Cameron will shortly receive from the British Government the bells, badges, and logs of the Destroyer Cameron, it was announced Thursday.

The Destroyer was one of 50 sent to the British under lend-lease in 1940. Mementos from 43 of the ships are being returned to their American "Name Sakes" as a symbolic gesture of gratitude, the British Government said.

It was presumed here that city officials would be notified by the British Government of its intention to return these relics from the Destroyer Cameron.

At the time the Destroyer was named for the City of Cameron, Lord Lothian of the Cameron Clan in Scotland wrote a letter to Mayor Charles C. Smith and then followed an exchange of letters through which the head of the Cameron Clan was fully advised of the historical background of the name Cameron as it relates to the City.

The City of Cameron was named for Captain Ewen Cameron, a hero of the Texas Revolution and a member of the ill fated Meier Expedition into Mexico.

Captain Cameron lost his life before a firing squad in Mexico. The

prisoners were permitted to draw beans, a black bean meaning death and the white bean meaning life. Captain Cameron drew a white bean, but was hated by the Mexicans and was taken to the execution grounds with those who had drawn black beans, and was shot. As the firing squad leveled their rifles, Captain Cameron, in a dramatic gesture of defiance, threw open his jacket and bared his breast, crying out, "I will show you how bravely a Texan can die."

When the City of Cameron was laid out in 1846, it was named for the brave Scotsman who had given his life in the cause of Texas freedom. A small force of Texans invaded Mexico, and indiscreet though brave thrust at the enemy. All were captured or killed, and those who survived the initial battle were taken to prison in Mexico City.

One of the prisoners who escaped with his life by drawing a white bean was the late Creed Taylor, great great uncle of J. B. White, Cameron publisher. Taylor settled on the James River in Kimble County, and at one time was the largest customer of the famous Schreiner Store at Kerrville.

Another of the prisoners who escaped with his life was Charles Wil-

son, father of the late Judge James C. Wilson of Victoria. He was a native of England and had cast his lot with the Texans in their fight for freedom.

Captain Ewen Cameron was born in the highlands of Scotland and at the time the Revolution began, was a cowboy riding the range around Victoria. The present Cameron Clan in Scotland are the descendants of Captain Ewen Cameron's family and it was from this relationship the interesting development in the naming of the Destroyer after the City of Cameron, followed. In a recent issue in Life Magazine, the Scottish Clan of Cameron was featured, and Cameron of Lothian, who heads the Clan was the Central figure in an excellent account of this historic family.

Of course, Cameron has no place to house relics, despite the fact it has had many opportunities to do so. Any community that fails to preserve its historic effects is truant to history.

Just what disposition will be made of the relics from the Destroyer soon to be received, is not known. Certainly, they should be preserved against a time when the present or a future generation may deal more kindly with the city in providing a museum.

W. R. Wilson Buried At Sand Grove

R. W. Wilson, 70, a long time resident of Milano died at St. Edward Hospital Wednesday morning after an illness of seven weeks.

Funeral services were conducted by Rev. P. A. Corkern, Pastor First Baptist Church, at Green's Funeral Home, at 2:30 P. M. Thursday, August 3, 1950. Interment was made in the Sand Grove cemetery.

His survivors include his widow, two sons; C. M. Wilson of Rosebud and Arthur Wilson of Cameron; two daughters, Mrs. L. C. Angell of Houston and Mrs. Ernest Henning of Austin. Also surviving are a half brother, John Morris of Rockdale and two half sisters; Mrs. Houston Williams of Criesman and Mrs. Kennard Sproles of Portales, New Mexico, seven grandchildren and one great grandchild.

Sgt. and Mrs. H. V. Hess of Fort Hood announce the arrival of a daughter born at Newton Memorial Hospital Thursday, July 27. The baby weighed seven pounds, four ounces and has been named Marilyn Sue.

Van Perkins, Mr. and Mrs. D. C. Cole, Mr. and Mrs. W. T. Hanes, Will Lake, John T. Hause, Frank Kleiber, J. A. Pate, H. L. Yager, T. B. Stidham, Roy Yates, Mr. and Mrs. J. D. Peeples, L. N. Haddox, Mr. and Mrs. G. R. Varner, Mr. and Mrs. R. I. Todd, Mr. and Mrs. H. H. Coffield, Mr. and Mrs. N. E. Alford, Mr. and Mrs. J. D. Newton, Mr. and Mrs. E. A. Camp, Mr. and Mrs. W. H. Cooke, Mr. and Mrs. W. K. Hogan, Mr. and Mrs. M. N. Stricker, Mr. and Mrs. T. B. Ryan, Mr. and Mrs. Sam Peeples, J. D. Kornegay, Mr. and Mrs. J. W. Jenkins,

Mr. and Mrs. Tom Betcham, Mr. and Mrs. W. F. Sharp, Alton Baggett, Will Davis, Harry W. Clark, W. W. Ceyer, Mr. and Mrs. W. Kuzel, Mr. and Mrs. C. S. Raney, Mr. and Mrs. Ed Kolbe, Mr. and Mrs. Hugh Martin, J. D. Link, L. C. Boyd, Mr. and Slovak, Harold Pritchard, Dean Styles, Mr. and Mrs. J. B. White, Mr. and Mrs. E. B. Camp and John Marak.

Rudolph Krall Rites Scheduled For Friday

Funeral services for Rudolph Krall will be held at the Chapel of Green's Funeral Home Friday, August 4, at 10:00 a. m. with Rev. P. A. Corkern, pastor, First Baptist Church, officiating. Burial will be made in the Corinth cemetery near Buckholts.

Mr. Krall died Wednesday evening at St. Edward Hospital. He formerly lived in Buckholts but at the time of his death was residing in Cameron.

Among his survivors are a daughter, Mrs. Joe Weatherford of Houston, two sons; Rudolph Krall Jr., of Inglewood, California and J. Z. Krall of Buckholts.

INTRODUCING

Richard Nicholas Brennan, Jr. seven and one half pound son of Mr. and Mrs. Richard N. Brennan of Lexington born Monday, July 31, 1950 at St. Edward Hospital. The mother will be remembered as the former Rebecca Jo Lewis. Grandparents of the baby are Mrs. A. J. Lewis of Cameron and Mrs. Bessie Brennan of Milano.

Mrs. Jim Sprayberry is among the patients ill and in Newton Memorial Hospital for treatment.

National Life Insurance Benefit Hospital And Surgical Plan To Be Offered In Local Area

Enrollment in the National Life Benefit Hospital and Surgical Plan in Cameron will open within a short time according to announcement carried elsewhere in this issue of the Cameron Herald.

Now in its 43rd year, the company has protected families and individuals in hundreds of communities throughout Texas and in various other states. Home office is Houston, Texas. The company maintains division offices in the East Texas region in Beaumont and Port Arthur.

The company was incorporated under the laws of Texas in 1908. Its policies have liberal coverage for hospital expenses and surgical bills, and many families have received benefits for hospitalization and surgical fees.

Accredited enrollment representatives direct from the division office will interview residents of Cameron and give those who qualify the opportunity to enroll. It is intended that every home in Cameron will be contacted.

An identification card, bearing the

signature of the accredited enrollment representative and that of an officer of the company, will assure families that only those directly authorized to accept enrollments are calling upon them.

Because of previous arrangements, representatives will be in Milam County only a short time. Those who feel they can qualify for enrollment are asked to complete arrangements as soon as possible.

Judy And Jane

Mr. and Mrs. Kinney Martin of Cameron are parents of twin daughters born at Newton Memorial Hospital Thursday, August 3, 1950. The babies have been named Judy and Jane. Judy was born 7:40 a. m. and weighed 3 pounds, eleven ounces. Jane was born 8:00 a. m. and weighed 3 pounds, twelve ounces.

Mrs. Minnie McFarland and Mrs. Grady Gill have returned from Burnett where they visited Mrs. McFarland's brother who has been ill and in a hospital there.

Charles Herbst, Gause Boy Wins First In Final Talent Show

Charles Herbst of Gause, with a vocal solo, won the grand prize of \$35 in the climax program of the talent shows in Cameron on Friday night.

The second prize of \$25 went to Fred Collins of Burlington who was accompanied by Thomas Stoeber and Bill Collins who gave a hillbilly song act with Fred in the role of singer.

Other contestants who entered the competition but who did not receive a prize were Willie and Billy Parcus of Maysfield, Patricia Zavrel of Buckholts, and Don Bullock of Milano.

Program was well received by an audience of people estimated at more than 1,000, and Bill McIntosh, president of the Chamber of Commerce, was master of ceremonies while John C. Andres was chairman of the program.

The Gause quartette composed of Christine Edmonds, Dollie Dubose, Arnold Kornegay and Jimmy Harris performed several numbers during the evening and the Yoe High School Band was on hand to add to the musical atmosphere of the show.

sical atmosphere of the show.

Mr. Herbst gave an encore number after the first prize was awarded, and Mr. Collins and the trio followed his example after the second prize was awarded.

Mr. and Mrs. Anton Sevcik of Port Lavaca are the proud parents of a baby daughter born July 23 at the Calhoun County Memorial Hospital. The baby has been named, Patricia Ann.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Demmie Kemp Hall announce the engagement and approaching marriage of their daughter, Marian, to Sherman Eldon Dyer, Jr., on August 31, 1950.

The couple will exchange nuptial vows in an informal, double-ring ceremony at the Presbyterian Theological Seminary Chapel in Austin with Rev. John Barclay reading the ceremony.
